WILDLIFE FILMMAKING COURSE

A WILDLIFE FILMING INTERNSHIP IN SOUTH AFRICA

Face to face with Africa's wildlife

CAPTURING AFRICA'S WILDLIFE ON FILM

Whether you just have a desire to film Africa's fascinating wildlife, or you are aiming to break into the competitive world of wildlife film-making, then this course is for you. This course has been developed to equip and inspire budding filmmakers with the skills, techniques, and knowledge required to produce your very own wildlife documentary. This course provides a unique filming experience of Africa's amazing wildlife whilst living in the African bush

Broadcast quality equipment

DEVELOP, FILM AND EDIT YOUR OWN CREATIVE MASTERPIECE

This is an opportunity to produce your own 5 minute wildlife documentary, from concept to TV screen, under the guidance and direction of passionate and experienced filmmakers, whilst living in the African bush. You will revel in Africa's unique environment and wildlife, and experience the extreme highs, lows and challenges that wildlife filmmakers face daily when attempting to bring to life the wonders of African nature. Walk away with a showpiece documentary as a gateway into this rewarding career path

Enjoy beautiful accommodation
