Revised: 06/2010

KENTUCKY REVISED STATUTE 189.456 (3)

(3) For every person seeking an accessible parking placard, proof of the disability shall be required by:

(c) A statement from a licensed physician that the applicant is a person whose mobility, flexibility, coordination, respiration, or perceptiveness is significantly reduced by a permanent disability to that person's arms, legs, lungs, heart, ears, or eyes.

KENTUCKY REVISED STATUTE 186.042 (1992)

For purposes of this section, "*persons with disabilities which limit or impair the ability to walk*" means persons who, as determined by a licensed physician:

- cannot walk two hundred (200) feet without stopping to rest;
- cannot walk without use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assisting device;
- are restricted by lung disease to the extent that the person's forced respiratory and expiratory volume for (1) second, when measured by spirometry, is less than (1) liter, or the arterial oxygen tension is less than (6) mm/hg on room air at rest;
- use portable oxygen;
- have a cardiac condition to the extent that the person's functional limitations are classified in severity as Class III or Class IV according to standards set by the American Heart Association; or
- are severely limited in their ability to walk due to an arthritic, neurological, or orthopedic condition
