Murray State "Safe Community" Breakfast

On December 7th, 2012, Murray State was designated as a "International Safe Community," By the National Safety Council. Murray State is among an elite list to receive this designation. Murray is the 22nd community in the United States, the 299th worldwide, and the only public university to receive this honor. Our very own Dr. David Fender was one of the main motivators of this application.
