Athletic Training Students must earn a grade of B or better in EXS 271, 371, and 372; additionally, a grade of C or better is required in the other Athletic Training Core Courses. Students with a grade below a C in EXS 301 or EXS 304 may not continue with the AT Program progression and must retake the course the next semester offered. Students must achieve a cumulative overall GPA of 2.5 or higher prior to enrolling in EXS 320, 390, 402, 403, 420, 421, and 471. If the student’s cumulative GPA drops below the required 2.5, the student will be placed on AT Program probation according to the Program’s GPA Policy (see AT Program web site).

**Required 2.50 cumulative GPA:** Students who drop below a cumulative GPA of 2.50 will be put on probation for one semester and must improve their GPA to 2.50 or greater after the completion of the next semester. Students, who do not regain the 2.50 cumulative GPA by the end of the next semester OR are put on probation for a second time, may be suspended from the AT Program.

**Clinical experience grade requirements:** Students who earn a grade of “C” in a Clinical Experience course may continue with the AT Program progression (take the next clinical experience course in the progression) but must ultimately re-take any clinical experience course with a “C” or lower before graduating. Students who earn a grade of “D” in a Clinical Experience course will be placed on probation for one semester and not allowed to progress in the clinical experience progression. Students must retake the clinical experience course the next academic year before continuing in the progression. Students who earn a grade of “E” will be suspended from the program and may re-apply the next application cycle.

**Reapplication after suspension:** If a student is suspended from the AT Program, they may re-apply to the Program after regaining the required 2.50 GPA and/or completing the remedial coursework. Students may or may not be admitted back into the Program depending on the applicant pool for that academic year.

Courses that must have a “B” or better to graduate: EXS 271, 371, and 372

Courses that must have a “C” or better to graduate: EXS 101, 295, 296, 301, 304, 305, 320, 333, 350, 353, 370, 375, 380, 385, 390, 400, 402, 403, 420, 421, 471, NTN 230, BIO 227/228, and BIO 229/230.
