How to Enable MAP-Works Mobile

1. Download the MAP-Works App from the App Store on your smartphone

2. When you open the App it will ask you for your email address and password

3. You retrieve your password from MAP-Works by first clicking on **More** (Figure 1)

4. Click **My Profile** (Figure 2)

5. Your Password is the **Access Key**. (Figure 3)

6. You can also turn on Weekly / Daily Notifications from this screen which remind you to log into MAP-Works
