Counseling and Assessment Center

MURRAY STATE UNIVERSITY
College of Education and Human Services

Alexander Hall
Murray State University Campus
Murray, Kentucky

Third Floor Alexander Hall
The COEHS Counseling and Assessment Center, Housed in Alexander Hall on the Murray State University campus, serves children, adults, and college students from the local community and Murray State University by providing low cost psychoeducational consultation, evaluation, and counseling services. The Clinic is especially designed to evaluate college students and other adults suspected of having learning disorders and ADHD, and students in public and parochial schools struggling to earn passing grades. Our comprehensive evaluations are individually structured to assess the individual's strengths and functional limitations and to generate recommendations and interventions to address those limitations.

### Our Purpose

The Clinic is supported by the College of Education and Human Services and is designed to offer low cost assessment and evaluation services to the community. Our fees are provided below:

*We anticipate offering counseling services starting Fall 2014

### Our Staff

The director of the Clinic, Dr. Marty Dunham, is a professor, Kentucky licensed psychologist, and Kentucky certified school psychologist. Our staff also includes Dr. Barbara Washington, a professor of special education, school psychology graduate students, and special education graduate students. All evaluations are conducted by appropriately trained and experienced graduate students under the direct supervision of Dr. Dunham and Dr. Washington.

### What to Expect

Our consultations consist of an intake and clinical interview; specialized individually administered tests of vocabulary, reasoning, memory, and problem-solving; individually administered tests of academic skill; personality and behavioral assessments; and other tests and procedures needed to answer the referral question (e.g., ADHD, autism). You should allow a minimum of four hours for the interview, assessments, and other procedures. After the tests and procedures are completed, we will generate a report and invite you back for a review of the findings.

### Payment

- Payment is expected the day of service. We take cash or checks. We cannot accept credit cards or insurance.

### Days/Hours of Operation

Tuesdays and Wednesdays 
9:00 a.m. to 4:00 p.m.

September 1 to December 1
February 1 to May 1

We initially plan to evaluate no more than four clients weekly. Testing will be conducted Tuesdays and Wednesdays; Mondays and Thursdays will be reserved for staffing and report writing.
