If a bike rack is full, please go to another rack.

And please never chain a bike to a stair rail, light post, sign post, or tree. You will be asked to provide your bicycle registration number, serial number, and a description of your bike (make, model, size, and color). If you witness a bike theft or other crime in progress, go to the nearest blue emergency phone to contact the police. If you are calling from a campus land line phone, the emergency phone number is 2222. If you are calling from a cell phone, call (270) 809-2222.

### **Abandoned and Improperly Parked Bicycle Abatement**

A bicycle may be tagged as abandoned if found in the same location over an extended period of time (two weeks or more) with any combination of missing parts, cobweb covered, flat tire, and/or rusted chain. Improperly parked bikes chained to benches, light poles, sign posts, railings, stairwells, and other

undesigned areas may be tagged as well. If a tagged bicycle is registered then an attempt will be made to contact the bike owner. If the bike is not registered and/or the bike owner does not take corrective action then Murray State Police may impound the bike. This abatement process is performed on an ongoing basis around campus. **Please register your bike so you can be notified in case it is tagged.**
