Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, gender, sexual orientation, religion, age, veteran status, or disability in employment, admissions, or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities.

In addition, Murray State University does not discriminate on the basis of sex in its educational programs and activities and is required by Title IX and 34 CFR part 106 not to discriminate in such a manner. The prohibition against sex discrimination specifically includes a prohibition of sexual harassment and sexual violence. This non-discrimination in education programs and activities extends to employment and admissions and to recruitment, financial aid, academic programs, student services, athletics, and housing.

For more information, contact the Title IX Coordinator/Executive Director of Institutional Diversity, Equity and Access, 103 Wells Hall, 270.809.3155 (voice), 270.809.3361 (TDD).

Murray State University supports a clean and healthy campus.
Please refrain from personal tobacco use.

Dear Students:

It is with genuine pleasure that I welcome you to Murray State University. You will find that Murray State affords students many outstanding opportunities and fosters an environment that will encourage your academic, social and cultural growth.

Your college years will be among the most exciting and challenging in your lives. You will not only grow intellectually, but you will also form new friendships that will change and enhance your life experience. Please do not forget that faculty and staff are committed to assisting you in making your educational experience the best possible by providing as many valuable experiential learning opportunities as possible.

As you become part of our University Community, we hope that you will broaden your perspective of individuals whose diversity of backgrounds enriches the environment of our campus. One of the sure markings of an educated person is the quality and depth of understanding of persons who are different from themselves.

As President of Murray State, I look forward to seeing you on campus and getting to know many of you over the next year, and I wish you much success during the course of your career at this wonderful University.

Again, welcome to one of the finest comprehensive universities in the nation. I wish you a richly rewarding educational experience. If I can do anything to support your success as a Murray State student, please do not hesitate to let me know.

Go Racers!

Bob Davies
President

> QUICK HELP GUIDE

American Disabilities Act ADA

Contact Student Disability Services, 403 Wells Hall, 270.809.3155/3361 TDD.

Appealing a Parking Citation

Contact Murray State Parking Department, 270.809.4812.

Athletic Tickets

Available at MSU's CFSB Center, Lower Level A, 270.809.4895.

Buying and Selling Books

The University Store in the Curris Center purchases used books if they will be used the following semester. The store also sells new and used books. Contact the University Store, 270.809.4388.

Check Cashing

Checks up to \$20 can be cashed on campus at the University Store, Curris Center, or the Cashier's Office, Sparks Hall.

Computers

Computer lab facilities are located on the first floor of Hart Hall and in Waterfield Library. Computers are also available in the residential colleges, Curris Center, second floor of the Business Building and third floor of the Blackburn Science Building. Laptops and iPads are available for checkout in Waterfield Library for in-library use.

Copy Machines

Coin-operated copy machines are located in the Waterfield Library, the Pogue Library, the University Post Office in the Curris Center. Card-operated machines are located in the library. Copy Cards are available in the Waterfield Library.

E-mail

All enrolled MSU students receive a free email account created at the time of enrollment. No action is necessary to activate these accounts as it is done during the enrollment process. If you have problems with your account you may call or visit the Help Desk at 270.809.2535 on the third floor (309N) of the Applied Science Building North Tower.

Emergency Help

Call Murray State Police Department, 270.809.2222 or 911.

Financial Aid Assistance

Application forms and information concerning grants, student employment and loans may be obtained from the Financial Aid Office, 5th Floor, Sparks Hall, 270.809.2546.

Grade Appeals

Office of the Registrar, 113 Sparks Hall, 270.809.5630.

Greek Information

For more information contact the Center for Student Involvement, 270.809.6953.

Grievances (student)

Student Conduct/Student Affairs, 425 Wells Hall, 270.809.6833.

Health and First Aid Needs

The Health Center is located on the first floor of Wells Hall, 270.809.3809.

IDs

Information about having IDs made, validated or replaced is available in the RacerCard Office, first floor of the Curris Center, 270.809.3003.

Campus Recreation

Contact the Intra-collegiate Sports and Campus Recreation office, Bauernfeind Wellness Center, 270.809.6791.

Job Placement

Information about job opportunities, co-op programs and part-time, off-campus work can be obtained from the Career Services Office, 100 Oakley Applied Science, 270.809.2906. Information about part-time, on-campus jobs can be obtained from the Financial Aid Office located on the 5th floor of Sparks Hall, 270.809.2629.

Lost and Found

All lost and found items should be turned in to the Murray State Police Department, 270.809.2222.

MISSION

Murray State University places our highest priority on student learning and excellent teaching, blending the range of educational opportunities often experienced at research institutions with the nurturing student-teacher interactions usually found at smaller universities. We offer relevant undergraduate and graduate degree programs with core studies in the liberal arts and sciences, leading to degrees from certificates to advanced practice doctorates that prepare students for success. Through effective and creative teaching, the opportunity to apply knowledge and skills to real-world situations, and academic and student support services, our quality faculty and staff foster student growth in knowledge, critical inquiry and innovative thinking. As a public comprehensive university dedicated to diversity, global awareness, and intellectual curiosity, we actively engage students, faculty, staff and the community in collaborative scholarship, creative activity, and research. We invest in our communities through thoughtful public service in our 18-county service region and beyond. Our uniqueness arises from our combination of academic excellence, welcoming atmosphere, and dedication to student success through mentored, real-world learning opportunities in an open-minded and supportive learning environment.

INSTITUTIONAL ACCREDITATION

Murray State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, masters, specialist and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Ga. 30033-4097 or call 404-679-4500 for questions about the accreditation of Murray State University. Normal inquiries such as admission requirements, financial aid, educational programs, etc., should be addressed directly to Murray State University.

Meeting Rooms

Information about scheduling meeting rooms in the Curris Center can be obtained by calling 270.809.6985.

Putting Up Signs and Banners

Putting up signs in the Curris Center and other buildings requires permission from the building supervisors.

Reporting Crimes

Call Murray State Police Department, 270.809.2222 or 911.

Scheduling Events

To schedule events in the Curris Center call 270.809.6985.

Student Government Association

The SGA office is located in the Center for Student Involvement on the first floor of the Curris Center, 270.809.6951.

Campus Recreation and Wellness

Campus Recreation and Wellness provides an opportunity for fitness, wellness, competition and fun through a wide variety of activities. These activities include group fitness classes, fitness assessment, personal training, wellness education, outdoor equipment rental and organized team sports. Campus Recreation and Wellness is housed in the 73,000 square foot Susan E. Bauernfeind Recreation and Wellness Center. The Wellness Center features three full-size basketball courts, three aerobic rooms, indoor track, free weights, selectorized weight machines and cardio equipment. The facility also includes an indoor swimming pool featuring a lap pool, leisure pool area, whirlpool and vortex. Campus Recreation and Wellness employs over 200 students. These positions include a front desk attendant, weight room attendant, lifeguard, group fitness instructor, personal trainer and sports official. All students, as well as faculty and staff, are eligible for participation in the programs offered by the department. Stop by the Susan E. Bauernfeind Recreation and Wellness Center and find out how you can become involved and live an active lifestyle. You may call 270.809.6000 for more information.

Career Services

Career Services assists students and alumni in navigating the career development and job search processes. The following FREE services are available to help enhance your career potential.

■ Career Counseling/Coaching

Trained staff members are available to assist you one-on-one or through group presentations with the career planning process. Focus 2 is an assessment available to help you explore career/major choices.

■ Career Fairs

Career Services sponsors multiple targeted and general career fairs in both the fall and spring. All students and alumni are encouraged to attend to network with company representatives to identify internship, full-time job and graduate school opportunities. Additional information, preparation tips and a list of participating companies, schools and organizations are available on the Career Services website. (murraystate.edu/career)

■ Graduate School Preparation

Career Services staff are available to review your application, personal statement and curriculum vitae and help with interview preparation. Graduate school resources are available on the Career Services website.

■ Job Search: Full-Time Jobs and Internships

Register with Racer Tracks, via myGate, to search for full-time jobs and internships as well as make your resume available to recruiters. CareerShift, a comprehensive job search and networking search agent, is available on the Career Services website.

■ Job Search: Information and Preparation

One-on-one career coaching and workshops are available to help you with résumé and cover letter development, interview techniques and job search/networking strategies. Tips and strategies are available on the website and in the Career Handbook. For your convenience, professional documents may be submitted to msu.careerservices@murraystate.edu for critique.

■ Job Search: On and Off-Campus Part-time Jobs

On and off-campus part-time jobs are posted on the Career Services website.

■ Mock Interviews

Practice interview skills and learn about the interview process by scheduling a personalized Mock Interview. Participants should dress professionally and have a resume.

■ On-Campus Interviews

Available on-campus interviews are posted on and scheduled through Racer Tracks. Company information is available through Racer Tracks and CareerShift and should be reviewed prior to an interview.

■ Internships

Gain applicable skills, apply classroom knowledge and earn academic credit through an internship. Internships may be full or part-time, paid or unpaid and may take place during the academic year or summer. To be eligible, you must be in good academic standing and enrolled at MSU the semester prior to the work assignment. Enrollment must be concurrent with employment.

■ KHEAA Work-Study Program

The KHEAA Work-Study Program (KWSP) is a joint venture of the Kentucky Higher Education Assistance Authority (KHEAA), participating postsecondary institutions, employers and students. KWSP provides eligible Kentucky students employment opportunities in career-related positions at work sites in Kentucky. Eligibility criteria are outlined on the Career Services website.

■ National Student Exchange Program

Through the National Student Exchange (NSE) network an undergraduate student has the opportunity to study up to one year at one

of over 200 colleges and universities at little or no more cost than attending MSU. This program allows you to take advantage of the academic strengths of the other universities' programs.

Center for Academic Success (formerly Community College)

Student Success is the focus in the Center for Academic Success (CAS). The CAS is the primary home for the Pathways to Success program, peer tutoring, Academic English program, K-TAP assistance and developmental course offerings. In the CAS, you will find professional advisors, dedicated instructors and outstanding Murray State students eager to help you become a successful college student. We offer a variety of academic services for anyone enrolled at Murray State and invite you to use our services. The CAS is located in the Lowry Center and is open 8 a.m. – 4:30 p.m. Monday-Friday. Tutoring hours vary and are located at tutoring.murraystate.edu. For more information, please call 270-809-2666; email msu.academicssuccess@murraystate.edu; visit the website murraystate.edu/cas; or stop by the second floor of the Lowry Center.

CLEP Credit

Some students arrive at college exceedingly well prepared in some fields of study. If you think you know enough about a topic to pass a basic college course on the subject, you may be able to earn credit through a CLEP (College Level Examination Program) test in this subject area or a departmental challenge examination. Some students also receive credit for advanced work they did in high school through the Advanced Placement Program (APP). To find out if CLEP, APP, or challenge credit is available in a particular area, see the Testing Center, C105 Oakley Applied Science Building. For more details and contact information, go to our website at murraystate.edu/testingcenter.

Counseling Center

The Counseling Center offers free and confidential counseling services provided by licensed mental health professionals. If you are experiencing symptoms of anxiety or depression, having trouble controlling your anger, feeling homesick, feeling overwhelmed by stress, struggling to cope with a recent breakup, or recovering from a traumatic experience, these are only some

of the reasons you might decide to come in and speak with one of our counselors. The Counseling Center is located in Suite C104 in the Oakley Applied Science Building. If you want to begin counseling, all you need to do is stop by our office to fill out some paperwork, then your case will be assigned and your counselor will call you to schedule your first appointment. An on-call counselor is available 9 a.m. – 3:30 p.m. Monday – Friday to meet with potential new clients or help with crisis situations. If you have any questions, call 270.809.6851 or check our website at www.murraystate.edu/CounselingCenter.

Curriss Center

Murray State University's Curriss Center is located in the heart of campus. The student center features two ballrooms, various meeting rooms, and theater to accommodate a variety of events. It is also home to two dining venues, a coffee shop, bookstore, post office, and a TV lounge as well as other informal lounges and study areas. The building is open seven days a week from 6:00 a.m. - 10:00 p.m. Visit our website at www.murraystate.edu/campus/currisscenter for more information.

Dining Services

The university offers 10 different dining operations on campus.

- **Winslow Dining Hall** is located in the heart of the residential college complex. Although it is used primarily by student meal plan customers, faculty and staff are welcome to Winslow, which features all-you-can-eat dining. Winslow accepts meal plans, Flex dollars, Dining Dollars, declining balance, cash and credit cards. Winslow is open for continuous service Monday – Thursday 7 a.m. – 11 p.m., Friday 7 a.m. – 8 p.m., Saturday 8 a.m. – 8 p.m. and Sunday 8 a.m. – 11 p.m.
- **Stampede** is a delivery and pick up program that operates out of Winslow Dining Hall from 6 p.m. – midnight, Sunday – Thursday. It accepts Flex, Dining Dollars, declining balance, Visa and MasterCard.
- **Fast Track** is a convenience store located on the north side of Winslow Dining Hall. Open daily from 11 a.m. – midnight, it offers a variety of convenience foods, grocery items, health and beauty products, snacks and bottled beverages. Fast Track accepts Flex dollars, Dining Dollars, declining balance, cash and credit cards.
- **Thoroughbred Room (T-Room)** is located on the 2nd floor of the Curriss Center. It features several different service stations including pasta/pizza, short order, a hot food line that changes daily, signature salads, serve-yourself salad bar, desserts, and fountain and bottled beverages. Dunker's Deli is now located inside the T-Room, featuring subs and sandwiches. The T-Room is open Monday – Friday 7 a.m. – 3 p.m. and accepts cash, Flex, Dining Dollars, declining balance and credit cards.
- **Market '22** is located on the 2nd floor of the Curriss Center, next door to the T-Room. Featuring Sushi with Gusto, fresh sushi made on site,

as well as express-to-go sandwiches, salads, bottled beverages and more for those on the go! Open Monday – Thursday 8 a.m. – 6 p.m., Friday 8 a.m. – 3 p.m. accepting cash, Flex, Dining Dollars, declining balance and credit cards.

- **Curriss Center Thoroughbred Café (CCT)** is also located in the Curriss Center and serves assorted Starbucks Coffee drinks plus fresh pastries, packaged sandwiches and salads and bottled beverages. CCT accepts cash, Flex, Dining Dollars, declining balance and credit cards. Hours of operation are Monday – Friday 7:30 a.m. – 6 p.m., Friday 7:30 a.m. – 5 p.m. and Saturday 10 a.m. – 4 p.m.
 - **Starbooks** is located just inside Waterfield Library and serves packaged sandwiches and salads, fresh sushi, microwavable meals, snacks, soup (during the winter), and hot and cold beverages. Starbooks accepts cash and credit, Flex, Dining Dollars and declining balance. Hours of operation are Monday – Thursday 7:30 a.m. – 10 p.m., Friday 7:30 a.m. – 4 p.m., Sunday 4 – 10 p.m. and closed Saturday.
 - **Business Express** is located on the 2nd floor of the Arthur J. Bauernfeind College of Business and offers packaged sandwiches, salads, soup (during the winter), desserts and beverages. Business Express accepts cash, Flex, Dining Dollars, declining balance and credit cards. Hours of operation are Monday – Thursday 7:30 a.m. – 3 p.m. and Friday 7:30 a.m. – noon.
 - **Pony Express** is Murray State University's very own mobile food truck. It can be found during the day at various spots around campus and evenings in residential areas, both on and off campus where students live. For a current schedule of Pony Express hours, please visit the dining website at www.murraystate.edu/dining or follow the truck on Twitter @MSU-PONYEXPRESS.
 - **Racer Hospitality Catering** is the premiere catering provider for Murray State University and all of Calloway County. With services ranging from small cookie trays to sit down dinners for 500 and everything in between, Racer Hospitality Catering can customize any event to meet your needs. There is even a specially priced menu for registered student organizations. Current menu information, catering policies, and FAQs can be found online at murraystate.edu or you can call the catering office at 270-809-2746.
- The dining service program takes great pride in serving the needs of our student population and welcomes suggestions and ideas on how to better serve customers. Representatives from Dining Services regularly attend weekly meetings of the SGA and RCA and the bi-weekly meetings of the Student Dining Committee. Electronic comment cards are available on our website. The Dining Services office is located at 101 Curriss Center and is open Monday – Friday 8 a.m. – 4:30 p.m.
- RacerCard Services is located at 101 Curriss Center. The RacerCard is used for access to your residential college and to your meal plan. It is

also used in the library, entry to the Wellness Center, and in some academic classrooms for attendance. Remember to treat it like a credit card and if it is ever lost or stolen, please report it via email to msu.racercard@murraystate.edu. If your card is used after being reported lost it will not work. If your card is lost on a weekend, you may request a temporary meal pass at Winslow for up to three meals until the RacerCard office reopens. Once your card has been reported lost or stolen you will need to report to the RacerCard office to purchase a replacement or re-activate a found card. The cost to replace a lost or stolen RacerCard is \$20.

Division of Student Affairs

The Division of Student Affairs' primary concern is the student. This concern encompasses retention; welfare; and growth and development in all dimensions of student life including educational, vocational, social-cultural, civility and tolerance, psychological, values, clarification and physical. The division provides a variety of educational and administrative services, programs and activities in support of the Strategic Plan of the university. It is committed to excellence in and the integration of curricular and co-curricular activities to ensure a supportive living-learning environment for the whole student.

The division's purpose is best defined by the following paragraph:

“The division is committed to offer students the opportunity (1) to seek self-realization consonant with their capacities; (2) to develop effective vocational and professional competencies; and (3) to prepare for participation as responsible members of local, regional, national and international communities.”

The guiding concepts for the division are those of human growth and development; personal discipline; an open, supportive environment; and the integration of the cognitive and affective dimensions so essential for personal growth.

The Division of Student Affairs includes

- Campus Recreation
- Career Services
- Center for Student Involvement
- Council of College Heads
- Counseling Services and Academic Enhancement
- AIMS
- Curriss Center
- Educational Opportunity Center
- Governor's Minority Student College Preparation Program
- Greek Affairs
- Health Services
- Housing
- Institute for International Studies
- LGBT Programs
- Office of Multicultural Affairs
- Office of Student Disability Services
- Office of Student Engagement and Success
- Residential College Association
- Student Conduct
- Student Support Services

- Talent Search
- Upward Bound Math/Science
- Wellness Center
- Women's Center
- Veterans Affairs

The division is coordinated through the Vice President for Student Affairs, who is located at 425 Wells Hall (270.809.6831). Students are encouraged to contact any of these offices for assistance and service.

Financial Aid

Murray State University offers a wide variety of financial aid for deserving students. This aid is designed to assist students in financing their education, to recognize scholastic achievement, to encourage continued educational growth, and to reward service to the university and the community.

In all cases, the student or the student's family or spouse are expected to contribute to the costs of education in proportion to their financial capabilities.

If the student and his/her parents or spouse will commit all possible resources, the Office of Financial Aid will make every effort to bridge the economic gap with a financial aid package. That package may consist of one or more of the following types of Federal Student Aid:

- Federal Pell Grant
- Federal Perkins Loan
- Federal PLUS (Parent) Loan
- Federal Subsidized Stafford Loan
- Federal Supplemental Education Opportunity Grant (SEOG)
- Federal Unsubsidized Stafford Loan
- Federal Work-Study (part-time employment)
- Kentucky Educational Excellence Scholarship (KEES)
- Kentucky Higher Education Assistance Authority Grant (CAP)
- KHEAA Teacher Scholarship
- Nursing Student Loan
- Owen Student Loan Fund
- Scholarship
- Federal Teachers Grant
- University Student Employment (part-time employment)

Forms and information concerning loans, grants and student employment may be obtained from the Financial Aid or Scholarship website or by reviewing your myGate account for any outstanding requirements needed.

Student Employment

Murray State University offers part-time employment to a large number of students each year. The Federal Work-Study Program provides on-campus employment to eligible students who are enrolled. The University Student Employment Program offers jobs to students enrolled at least half-time who do not qualify for the federal work-study program. All student employees are paid bi-weekly and are required to perform their assigned duties in a satisfactory manner.

Graduate assistantships are available at Murray

State. This program is offered only to students accepted into a graduate program and enrolled in graduate coursework.

Financial Aid Satisfactory Academic Progress (SAP)

The Department of Education and Kentucky Commonwealth each require students to meet Satisfactory Academic Progress (SAP) requirements in order to maintain eligibility for federal and state loans and grants. Failure to meet the standards as discussed below could lead to loss of eligibility beginning with both federal and state financial assistance.

This policy applies to all students even if the student is not receiving financial aid for the period currently being monitored and is effective July 1, 2016 beginning with the 2016-2017 aid year.

Students who are not meeting the Financial Aid Policy will be notified via Murray State University email and can review their status on their myGate account.

How SAP is Determined: Qualitative and quantitative requirements for SAP include:

- A minimum cumulative GPA (earned at Murray State University and all transferred credits)
- A maximum amount of time allowed to complete all degree requirements
- A minimum percentage of completed hours earned
- A maximum withdrawal count

Qualitative Standard:

Minimum GPA - The minimum GPA requirements for Murray State University (as shown in the chart below) are determined by the number of credit hours the student has attempted. Once the Academic probationary period leads to Academic suspension, you will also be suspended for Financial Aid.

GPA Hours Attempted	Cumulative GPA Required
1 - 32	1.5
33 - 64	1.7
65 - 79	1.9
80 +	2.0

Quantitative Standard:

Maximum Timeframe - The longest time you can take to complete your degree is 1 ½ times the length of the published program length as shown in the table below.

Degree Type	Published Program Length	Maximum Attempted Hours
Associate	60	90
Baccalaureate	120	180
Post-Baccalaureate seeking an Associate*	180	270
Post-Baccalaureate seeking a Baccalaureate*	240	360
Graduate/Masters	36	54
Doctoral	79	119

*These hours reflect first Baccalaureate attempted hours.

Completion Rate - You must earn a minimum of 67% of the total number of hours you have attempted during your entire college career after high school. To determine if you are meeting this requirement, multiply the total cumulative hours you have attempted times .67. (Example: 95 cumulative hours x .67 = requirement of 64 hours earned.)

Actions impacting course completion when calculating attempted and earned hours:

1. Audited, Withdrawn or Incomplete course
Counts toward attempted.
Does not count toward earned.
2. Transfer or Remedial course
Counts toward attempted.
Counts toward earned.
3. Repeat or Non-degree related course
Counts toward attempted.
Counts toward earned (but only last time attempted).

Semester Withdrawal - More than two official academic and/or administrative withdrawals from a semester while attending Murray State University will prevent you from meeting SAP.

Additional Information

- The same timeframe to completion requirements apply even if changing majors.
- Financial Aid reviews SAP at the end of each spring semester and covers the preceding summer, fall, and spring terms.
- Financial Aid SAP requirements are not the same as the Academic SAP regulations - each requires a separate appeal process.
- You may review your SAP status on your myGate account.

Impact of not meeting SAP - Failure to meet any of the SAP requirements will result in a Financial Aid suspension and make you ineligible to receive any additional federal or state financial aid.

Official notice of suspension will be sent to you via your Murray State University email account.

What to do if you are suspended - If you receive a financial aid suspension, you may want to consider filing an appeal if you believe you have mitigating circumstances.

All appeals must be received within 30 days of the start of the semester for which you are appealing. Appeals received after this timeframe will be administratively denied for that semester. However, you can request to have the appeal filed for the following semester.

To initiate a Financial Aid SAP appeal, you must complete a SAP Financial Aid appeal form and provide supporting documentation as outlined below. The form may be obtained from within your myGate account under the Financial Aid Forms link.

Appeals may fall into one of the following categories and appropriate supporting documentation must be provided:

Medical

- Broken bone
- Cancer
- Catastrophic health or mental illness

Documentation needed:

- Official documentation from medical provider reflecting confirmed diagnosis and dates of illness or injury
- If recurring illness or other health issue, please provide a statement explaining what has changed to enable you to perform better going forward.
- Provide additional documentation if there is a change in medication for recurring illness which addresses your ability to improve performance.

Severe personal or family problems

- Death of immediate family member (parent/guardian, sibling, child, spouse)
- Divorce
- Accident
- Incarceration

Documentation needed (depending upon circumstance):

- Death certificate or copy of obituary and documentation reflecting family connection
- Divorce decree or letter confirming separation from objective third party (representative of the court, pastor, counselor, social worker, etc.)
- Copy of police report must provide documentation reflecting family connection.
- If accident resulting in injury, official documentation from medical provider reflecting confirmed diagnosis and dates of illness or injury
- Must provide court documentation reflecting period of incarceration for self or immediate family member and documentation reflecting family connection
- If court documentation is unavailable, must provide other documentation substantiating arrest and/or period of incarceration.

Academically Related

- Seeking additional degree
- Change of major
- Failed to apply myself to my studies

Documentation needed:

- Must provide completed “academic plan” form signed by academic advisor.

Extenuating Circumstances

- Work conflict
- Financial emergency
- Technology issue
- Transportation issue
- Military

Documentation needed:

- Letter from employer on company letterhead verifying termination of employment or reduced work hours.
 - Statement explaining what has changed financially to enable you to perform better going forward.
 - Official documentation from the military organization verifying time frame of required training and/or deployment.
- * Please note that additional supporting documentation may be requested after initial review.*

Next Steps:

Once a completed appeal and all supporting documentation is received by the Office of Financial Aid, a review of your individual circumstance will be conducted and a determination will be made.

Decisions will fall into one of four potential categories.

- 1 – Approved without Academic Plan
- 2 – Approved with Academic Plan
- 3 – Denied
- 4 – Administratively Denied

Decisions will be communicated to the student via their Murray State University email. All decisions are final.

If your appeal is approved, you will be placed on probation for a minimum of one (1) semester or for the length of the academic plan. At the end of the probationary term, you must meet all requirements of the Satisfactory Academic Progress Policy.

If your appeal is denied, you may continue enrollment without financial aid assistance and attempt to meet all requirements to regain eligibility.

General Information:

- If you do not meet SAP requirements, to allow consideration for financial aid in future terms, you must still complete the Free Application for Federal Student Aid (FAFSA) in a timely manner.
- The Admissions, Academic Standing, Bursar, and Housing appeals are separate application processes. Decisions of these appeals are independent of each other.
- If you have additional questions, please contact the Office of Financial Aid at 500 Sparks Hall, 270-809-2546 or 800-272-4678 option 3, or msu.sfa@murraystate.edu.

Health Services

Health Services is located on the first floor, north end, of Wells Hall. All MSU faculty, staff, and students are eligible for free services at the clinic, where acute health care is delivered on a walk-in basis. Clinic hours are Monday, Tuesday, Thursday, Friday 8-11:30 a.m. and 1-4 p.m., Wednesday 8-11:30 a.m. Wednesday afternoon appointments are available. Services include health education, physical assessment, and treatment for illness/injury. Clients are evaluated and treated by registered nurses and nurse practitioners. Referrals can be made to local specialists or physicians, which will be at the client's expense.

Information regarding immunizations and diseases are found on our website at murraystate.edu/campus/healthservices.aspx. Additional information regarding HIV/AIDS can be accessed by calling the Kentucky AIDS hotline at 270-420-7431 or the National AIDS hotline at 800-232-4636.

Honors College

Entering students who possess outstanding academic records may join the Honors College program. It is designed to enrich the educational experience of highly motivated students by increasing the opportunity for interaction with outstanding research faculty in both seminar sections and ongoing research experiences. The program offers a diverse range of academic, cultural and social activities. Information is available at the Honors College office, 304 Lowry Center.

Institute for International Studies

International Student Services

International students experience many unique concerns and problems while they are in the United States. At the Institute for International Studies, the international student advisors are available to help students adjust to life at Murray State. This office provides orientation sessions, assistance in immigration matters, help with personal concerns, and refers students to other agencies as necessary. Several activities are also planned each year to help international students feel at home on campus. International students should come to the Institute for International Studies to arrange for school transfers, to apply for practical training, to submit proof of health insurance, to renew immigration documents, and to receive information on departure and re-entry into the United States.

Education Abroad

To help all MSU students meet the challenges of today and tomorrow in a global environment while broadening the education experience, Murray State University offers an extensive array of programs abroad. With the assistance of study abroad advisors and the guidance of the student's academic advisor, a study abroad program can be devised to satisfy individual needs in nearly any major or minor.

Murray State students are fortunate to have

more than 170 study abroad options for international study available to them. Study abroad programs are offered on every continent, for periods of study as short as one week and as long as one academic year.

In brief, with good guidance from advisors and thoughtful assessment by the student, students may choose to study

- in 45 countries around the world
- for a period of time that best suits them.
- in MSU-credited courses applicable to their program of study.
- in English as the language of instruction in most cases.
- in the language of the country they visit, if the student wishes to enhance his/her language skills.
- at a reasonable cost.

All students who feel that they might wish to participate in some sort of international study are strongly encouraged to inquire at the Education Abroad office, 270-809-2277 or e-mail: msu.studyabroad@murraystate.edu. The Education Abroad Office welcomes questions and will spend time with students, trying to help them match their interests and needs with an appropriate international study experience.

LGBT Programming

The Office of LGBT Programming provides support for the lesbian, gay, bisexual and transgender (LGBT) and ally student community through services and educational programming. This support fosters a stronger campus environment that is open and inclusive for all people. The coordinator of LGBT Programming serves as a resource and advocate for the LGBT and ally student community in navigating university life. For additional information, contact the Office of LGBT Programming at 270.809.5303.

Mail Services

The MSU Mailroom, located on the second floor of the Curris Center, receives and distributes all incoming mail for the university's **academic and administrative offices**. They also dispatch all outgoing mail sent out using departmental account numbers. Within the facility there is also a Mail Center where you can rent personal mailboxes, buy stamps and money orders, and mail your letters and parcels. This facility is open from 8 a.m. until 4 p.m., Monday through Friday during the regular school sessions, including summers, and for specified times during periods when MSU is on break.

If you live in the residence halls the MSU Post Office will deliver your mail to the mailroom of your residential college. If you receive a package that was sent via the United States Postal Service (USPS) and it has a tracking number on it, you will be required to show a picture ID and sign for it at the Curris Center Post Office. Anything sent via UPS or FEDEX will be delivered straight to your residential college. You are provided a mailbox

automatically when you receive your room assignment. If you live in College Courts, you will receive mail in the box assigned to your unit. Mail for these facilities is delivered by the federal post office located at 1105 Chestnut Street, **not by the MSU Mailroom**. You do have the option of renting a box at the Murray State Post Office where all of your mail and packages will be delivered and you will receive an email notifying you that you have a package to be picked up. Please call the federal post office at 270.753.1512 if you have questions about your mail or to receive a key for your College Courts mailbox.

Because all mail is now being coded prior to delivery, the U.S. Post Office requires that your address be correct and specific in order to avoid delays. Here is the format to use:

Line 1: your name	John Doe
Line 2: (box #) dorm	4000 Hart Hall (or College)*
Line 3: city, state, ZIP	Murray KY 42071-3326

Please do not use any of these words or symbols in your address: "Box", "PO Box", "#". Using "Murray State University" is okay if it is above or immediately below your name, but NOT in the last two lines. There is no need to include your room number since mail is not actually delivered to the rooms. Also, please do not use any address other than your dorm address. If you do so it will result in your mail not being delivered in a timely manner.

*Note: The word "Hall" or "College" is acceptable in line two.

MSU RacerCards

You will be issued an official student identification card—your RacerCard—when you arrive on campus. Your RacerCard is required to enter your assigned residential college, sell books back to the bookstore, check out library materials and obtain meals at dining venues. Your RacerCard is also required at numerous facilities and student activities such as voting, theatre productions, wellness center, CFSB Center and athletic events. A photo ID, such as the RacerCard, is needed to obtain any information from the Office of the Registrar. Completion of class scheduling and fee payment requirements each semester are necessary for appropriate ID activation. If you happen to lose your ID card, call the RacerCard office at 3003. A replacement fee of \$20 must be paid prior to receiving a duplicate ID card. The RacerCard Office will accept cash, checks, debit or credit cards. Questions about the RacerCard can be answered at the RacerCard Office at 101 Curris Center, or by calling 270.809.3003 or emailing msu.racercard@murraystate.edu.

Multicultural Affairs

The Office of Multicultural Affairs was established with the purpose of providing ongoing assistance and support to Murray State's ethnic student population prior to and following their enrollment. We are committed to clearly affording multicultural students the opportunity

to be successful. Multicultural Affairs serves as a clearing-house, a referral service, and it also acts as a liaison among administration, academic units, alumni and the community. **For additional information, contact the Office of Multicultural Affairs at 270.809.6836.**

Murray State Police

The Murray State Police Department is responsible for the protection and safety of Murray State University students, faculty, staff and property. The Murray State Police Department is located at the corner of 16th and Chestnut streets.

Murray State University is a safe campus; but we must be diligent in our crime prevention efforts. It takes effort from students, faculty and staff to maintain a safe campus.

Police officers aid in the protection of students, faculty and staff by enforcing city and state laws in the university community. Murray State Police Department offers night time escort services through our Racer Patrol unit (call 2222 from campus phones or 270-809-2222 from your cell phone). **The emergency number to Murray State Police is 270-809-2222, please program this number into your cell phones. (911 may be used if you do not have the university emergency number programmed into your phone). NOTE: Murray State Police officers are certified and have full police authority.**

Here are some safety and crime prevention tips from the Murray State Police Department:

- Avoid walking alone at night and walk only in well-lighted areas.
 - If you must remain in a campus building after closing time, make an effort to have someone stay with you.
 - Make certain that your residence hall room is locked at all times.
 - Keep your vehicle locked at all times and remove all valuable items from sight.
 - Whenever possible, engrave your possessions with your name or other identifier.
- Do not use your Social Security number.** The Murray State Police Department will loan you an engraver without charge.
 - Keep your personal records in a safe place at all times.
 - **Help Murray State Police keep the campus safe. If you see a crime committed or know of drugs or weapons on campus, call the Murray State Police Department at 270-809-2222 you do not have to give your name. Crime Stoppers is part of our campus protection, call 270-753-9500.**

Lost-and-Found Procedures

If you find an item on campus, turn it in at the Murray State Police Building, which maintains the official lost-and-found department for the university. If something is lost or stolen on campus, call the Murray State Police Department and file a report. **After making a police report, please complete the following:**

> Lost or stolen ID card:

- Report loss to circulation desk, Waterfield Library
 - Report loss to office, Carr Health Building and Wellness Center
 - If you purchased a meal plan, report loss to staff at racercard@murraystate.edu
 - Go to Racercard office to have a replacement made
- > Lost or stolen driver's license:
- Kentucky driver's license: Notify circuit court clerk, Judicial Building, Murray, Ky., or circuit court clerk in your home county of residence
 - Out-of-state driver's license: Call or email license agency in your state and/or county
- > Lost or stolen parking permit:
- Go to the Murray State University Parking Office to file an affidavit
 - You may pick up a temporary parking permit while you search for a misplaced permit
 - A replacement permit must be purchased. Please contact the Murray State Parking Office for assistance with this process at 270-809-4812.
- > Lost or stolen credit cards:
- If in your parent's name, call them immediately
 - If in your name, call the company immediately and follow up with a certified letter of confirmation requesting a "return receipt" and retain a copy of the letter
 - You may also notify a local company, but be sure to carry out the steps listed above first.
- > Lost or stolen personalized checks or bank card:
- Notify your bank and call your parents
 - Notify local banks
 - Notify Cashier's office
 - Notify University Store
- > Lost or stolen property:
- Report model, make and serial number, if applicable
 - Report detailed description: size, color, brand, etc.
- > Lost or stolen books:
- Report loss immediately to the Murray State Police Department. Book thieves are frequently caught.
- > Lost or stolen residence college room key:
- Report loss immediately to your hall desk
 - Report any suspected theft to the Murray State Police Department at 270-809-2222.
- Your chances of recovering missing property are greatly improved if you document the serial number of the property and write your name or identifier in a prominent place on all of your possessions. The Murray State Police Department or most residential college desks will lend you an engraver, free of charge, for engraving your stereo, radio, television, computer equipment and other personal property.

Parking

Murray State University was designed to be a "walking campus;" however, the number

LiveSafe

GET THE APP for your peace of mind

*Available in iTunes
and Android stores*

- **Emergency contact information**
- **Direct communication with dispatch**

Making Our World a Safer Place

The LiveSafe app is an effective safety tool that allows individuals to quickly access Murray State's campus safety services to report problems as they happen and prevent incidents before they occur. Murray State students, parents, faculty and staff are encouraged to download the LiveSafe app FREE in the iTunes or Android store.

of students who attend the university and bring cars to the campus increases each semester. All students, faculty and staff must register their vehicle and display a current parking permit when parking on the Murray State campus. Parking on MSU campus is by **permit only**. Parking regulations are enforced 24 hours daily.

If you wish to bring a car to the campus, you must register your vehicle and purchase a parking permit. Permits may be applied for and purchased by going to your myGate account to the Murray State Parking Channel. If you need assistance with your permit application/payment, please contact the Murray State Parking Office at 270-809-4812 or by email at msu.parkingoffice@murraystate.edu.

PLEASE NOTE: A vehicle is not considered registered until a valid parking permit is properly displayed in the vehicle. All motorized vehicles require a parking permit. This includes cars, motorcycles, motor scooters and mopeds. Fines for parking violations are \$15, \$35, \$50, \$75, \$80, \$90, \$100 and \$250. All parking questions regarding permits, citations or appeals should be addressed to the Parking Office by calling 270-809-4812 or via email at msu.parkingoffice@murraystate.edu. Payment of citations may be completed online through your myGate account, or mail payments to the Cashier's Office, 2nd Floor, Sparks Hall, or check payments only may be dropped off at the Parking Office during normal business hours from 8 a.m. to 4 p.m. Monday-Friday.

Parking citations may be appealed within

five school days of the issuance of citation, if the violation is eligible for appeal. Appeals are available online via your myGate account on the Parking Channel link by choosing "Outstanding Citations." If your appeal exceeds the five school-day limit, you forfeit your right to appeal. The appeal decision process is final. Please contact Murray State Parking Services for assistance.

Campus parking policies are on the web at murraystate.edu/parking under the link "Parking Management." To avoid parking problems, familiarize yourself with the parking regulations. Please call Parking Services at 270-809-4812 for assistance. The Murray State Parking Services Office is open for official business from 8 a.m. to 4 p.m. weekdays during the Fall and Spring semesters and 7:30 a.m. to 3:30 p.m. during the Summer; and Murray State Police and Dispatch are on duty 24 hours daily to assist with before and after hours parking questions.

Psychological Center

If you are experiencing emotional problems such as feeling anxious, depressed, suicidal, or are having family or relationship problems, the Psychological Center is here to help you through these difficult times. If you need help, please visit us in our offices at 401 Wells Hall or call 270.809.2504. Services are provided by trained, clinical psychology graduate students who are supervised by licensed clinical psychologists.

Recruitment

The Office of Recruitment provides information and services to all new first-time freshman students of Murray State University. The Office of Recruitment also directs the university's Summer Orientation, Racer 101 Camps and Abroad 101; along with many other new student programs. To receive information on admissions, housing, scholarships, financial aid and academic programs, etc., anyone can request information by visiting our website www.murraystate.edu and clicking "Request Info" on the homepage. To speak with an admission or recruitment representative call 1.800.272.4MSU (4678) ext. 2.

Scholarships

Murray State University awards a number of academic-based scholarships each year. In order to be considered for those scholarships, students must apply for scholarships each year by submitting the online scholarship application located in the Financial Aid section of myGate. The annual scholarship deadline is January 15.

The Scholarship Office also serves as a resource for external (non-Murray State) scholarship information. Visit murraystate.edu/scholarships and select the Non-Murray State Scholarships link to get information on external scholarships, search engines and procedures for reporting receipt of external scholarships. Students may contact the Scholarship Office, 102 Curris Center, by calling 270-809-3225 (toll-free 1-800-272-4678, ext. 4.) or emailing to msu.scholarships@murraystate.edu.

Student Disability Services

The Office of Student Disability Services (SDS) coordinates and administers services and accommodations for students with documented disabilities. In doing so, SDS staff reviews disability documentation, meets with students to determine appropriate reasonable accommodations, and works with MSU faculty and staff to remove barriers to promote “equal participation” for students with disabilities in all areas of university life. These disabilities include: cognitive (i.e. learning disabilities, attention deficit disorders, and traumatic brain injury) psychological impairments, seizure disorders, autism, sensory, mobility, or other physical and health impairments.

■ Possible accommodations

All accommodations are based on each student’s diagnosed disability. Accommodations may include but are not limited to:

- Alternative testing accommodations – this may include: extended testing time, distraction-reduced environment, reader, scribe, large-print, use of assistive technology
- Note-taking assistance
- Recording lectures (student’s responsibility)
- Audio textbooks
- Materials printed in alternate or contrasting colors
- Classroom and course accommodations
- Housing and parking accommodations.

■ Enhanced services

Project Mentor is an academic support service of the Office of Student Disability Services that offers enhanced services to students who wish to access the service. Students receive individualized assistance with learning effective strategies for organizing and studying course-related materials. Each student enrolled in Project Mentor is assigned to work with a trained Academic Mentor on a weekly basis (usually two hours to three hours per week). Sessions with the mentor may include any of the following: writing skills, self-advocacy skills and study skills.

Fees for Project Mentor are based on the number of hours each week the student meets with his/her academic mentor. Project mentor fees are \$15/hour.

Project PASS: Program for Achieving Student Success provides a more comprehensive level of support for incoming freshman or new transfer students who have a disability. In addition to ensuring that students receive necessary accommodations, Project PASS provides the following areas of support:

- Scheduling assistance during Summer Orientation
- Early transition program (Smooth Move) allows incoming freshmen to move in to their residential college three days before the rest of the incoming freshmen. This extra time allows for a leisurely move in and then provides two days of study skills workshops to ensure a successful transition to college. A fee of ap-

proximately \$150 is required.

- Specialized support and study skills classes
- Project Mentor – see information above

■ Registering with SDS

To register with the Office of Student Disability Services you must:

- Be admitted to Murray State University
- Provide current documentation (no more than three years old) of disability to the SDS Office
- Schedule a meeting with an SDS staff member to discuss services and accommodations.

For more information, contact the Office of Student Disability Services, 423 Wells Hall, or phone 270-809-2018. You may also email vwilson@murraystate.edu or kashlock@murraystate.edu.

Speech and Hearing Clinic

The Speech and Hearing Clinic offers a full range of professional speech, language, and audiological services to students at no charge. Students who are experiencing communication problems due to speech sound errors or differences, stuttering, reduced voice or vocal quality, language problems, or hearing problems may be seen for diagnosis and/or therapy. Students who need services should call 270.809.2446 for an appointment or for further information.

Student Support Services

Student Support Services, a TRIO program funded through the U.S. Department of Education, offers tutoring, academic and career planning, and personal skills development. These services are designed to help Murray State University students make the most of their college career by providing the support needed to ensure a successful academic experience.

To qualify for Student Support Services, students must meet at least one of the following criteria:

- Be a first-generation college student, meaning neither parent has received a baccalaureate degree.
 - Demonstrate a financial need.
 - Have a documented disability.
- Students must also meet academic requirements based on grant guidelines.

An individualized plan based on each student’s academic background, study skills, life style, and major course of study is cooperatively formulated to serve as a guide for determining personal and collegiate goals.

Student Support Services provides a wide variety of academic and personal support services for students and serves as a liaison between students and their instructors. SSS strives to help students achieve their academic goals through services such as free tutoring, career counseling, course selection, financial aid counseling, financial literacy, personal development and study skills enhancement. For students with disabilities needing additional services and accommodations, the SSS office coordinates with the Office of Student

Disability Services.

The SSS office located in 261 Blackburn. For more information, please contact us at 270.809.4327 or by email at msu.sss@murraystate.edu.

Testing Center

You may need to complete various tests or assessments in order to receive your degree, be admitted to graduate programs or professional schools, or to be certified in various professions. Our center offers most paper and computer-based standardized examinations from the ACT corporation, Educational Testing Services and Psychological Corporation. Contact your advisor for assistance in determining which test you may need to take.

A comprehensive testing program is available to you. The tests offered include:

- Accuplacer— A system of computer-based assessments used for course placement; a replacement for the previously used Compass Test.
- College Level Examination Program (CLEP)— available in over 33 subjects, to receive academic credit by examination for knowledge gained through prior learning.
- DSST/Dantes — Currently in the process of becoming fully-funded DANTES Test Center
- Proctored Exams — Students taking online courses through other institutions have the opportunity, with prior approval by those institutions, to take their exams in the Testing Center
- American College Test (ACT)
- Law School Admissions Test (LSAT)
- PRAXIS
- Graduate Record Examination (GRE)
- Miller Analogies Test (MAT)

The Testing Center is located at 105C Oakley Applied Science Building. For more information, feel free to come by our office or call 270-809-6848.

University Libraries

The University Libraries serves as a learning commons for on- and off-campus students. Each facility on campus is dedicated to student growth, these include: **Harry Lee Waterfield Library** (main library), the **Forrest C. Pogue Special Collections Library and University Archives**, the **James O. Overby Legal Resources Library**, and the **Wrather West Kentucky Museum**.

Every student from every discipline can access the resources they need for success. The Research and Instruction Librarians offer subject-specific research assistance and information literacy training. The libraries have designated Quiet and Collaborative Zones, so you can do research and write in the space you work best. The computer labs include printer and scanner access, plus students can check out laptops at the Circulation desk. **The Racer Writing Center** and the **Racer Oral Communication Center** provide assistance to improve the quality of your papers and oral presentations. Other services include:

Text-a-Librarian (270.681.3811), **Access ILiad**, etc. Our goal is to help you achieve your academic goals.

Find more information about the University Libraries at: <http://lib.murraystate.edu> or call 270.809.2053.

University Store

The University Store is located on the second floor of the Curris Center, serving students, faculty and staff with a broad selection of products and services. The University Store is not-for-profit and all proceeds earned by the store stay on campus to enhance and provide additional services to students.

You can browse the shelves to make your own textbook selections, request our popular textbook prepackaging program or place an on-line order at bookstore.murraystate.edu. Textbook options include new, used, new rental, used rental and e-books as available. Purchase or rent your textbooks and required course materials by the semester deadline and you can charge it all to your student account! Plus, the University Store buys back books every day.

The University Store is the home of official Murray State gear! Boast your school spirit with logo merchandise from Under Armour, Nike, Champion, Columbia, Russell Athletics, and Tervis, to name a few. The University Store also offers a wide selection of study aids and test preps, art supplies, general supplies, Greek accessories, graduation regalia and much, much more. Free on campus delivery for all occasion balloon bouquets.

Visit the University Store Monday through Friday from 8 a.m. to 5:30 p.m. and on Saturday from 10 a.m. to 4 p.m. Find more information at bookstore.murraystate.edu or contact us by phone at 270-809-4388 or e-mail at msu.books@murraystate.edu. Follow us on Twitter @Racer-Bookstore and like us on Facebook at [Facebook.com/MurrayStateBookstore](https://www.facebook.com/MurrayStateBookstore).

Veterans Affairs

The Office of Veterans Affairs primary mission is to assist the veteran student with the successful transition from military life to the university campus culture and life style. Eligible VA education beneficiaries should contact this office immediately concerning general procedures and documents that are required to complete and submit the enrollment certification to the VA Regional Office. This will help ensure prompt payment of your educational benefits.

Programs being certified:

- Post 9/11 (Chapter 33)
- Post 9/11 Yellow Ribbon (must be Chapter 33 eligible)
- MGIB – Active Duty (Chapter 30)
- MGIB – Select Reserve (Chapter 1606)
- Reserve Education Assistance Program; REAP (Chapter 1607)
- Vocational Rehabilitation Employment and Training (Chapter 31)
- Survivors and Dependents Educational Assis-

tance (Chapter 35)

• Fry Scholarship

For more information pertaining to the qualification criteria for any of the above listed benefits, please visit the VA website at: <http://www.benefits.va.gov/gjbill/>

Tuition and fees may be waived at any state-supported institution of higher education in Kentucky for those children, spouses and widow(er)s of Kentucky residents who, while serving in the armed forces of the United States or the Kentucky National Guard, were killed on active duty or during training, or who have died as a result of a service-connected disability, or who are permanently and totally disabled, or who served as prisoners of war, or who have been declared missing in action. Dependents of living, qualifying veterans must be between the ages of 17 and 26. For more information pertaining to this state-funded waiver and how to apply, please visit the following website: veterans.ky.gov/Pages/HidPages/TuitionWaiver

The VA who assists students with admission to the university and other support services can be reached at 270-809-3754 or emailing msu.va@murraystate.edu. A Veteran Student Organization (VSO) is also available to all veterans. Contact the Office of Veterans Affairs for more information.

Women's Center

The Murray State Women's Center provides education, support and advocacy services to the campus community on topics related to sexual assault, dating violence, stalking, gender equality, women's leadership and mentoring. Through awareness campaigns and programming the Women's Center educates the campus community on creating and maintaining a safe campus environment. The center provides support to students by helping them get connected to resources and support services available on- and off-campus. The Women's Center director also serves as an advocate to students by helping them navigate the process of reporting a crime, filing a grievance and communicating with the various other entities involved.

Services offered by the Women's Center are free-of-charge. The center is located at C102 Oakley Applied Science Building. You may contact the Women's Center via email (msu.womenscenter@murraystate.edu) or by phone at 270.809.3140.

SPECIAL AND TRADITIONAL EVENTS

Homecoming is the most notable and colorful of traditional campus events. Homecoming features a parade, Tent City, a football game, as well as scores of open houses, receptions, 5K run through campus, dances, reunions and special observances.

In addition, in conjunction with Homecoming, Murray State frequently sponsors a special Black Alumni Reunion in cooperation with the Alumni Association and Multicultural Affairs.

Family Weekend occurs in the fall and is full of special activities for families of Murray State students. Activities include receptions, open houses, a football game, and entertainment.

Campus Lights is an all-student musical production presented each February.

Ms Murray State Scholarship Pageant is held early each spring, traditionally one of the finest university pageants in the country.

All Campus Sing is traditionally held in late spring. Various campus organizations participate in this event as each vies for trophies.

Graduation Breakfast marks the nostalgic end of an era of the university's senior class. The Graduation Breakfast features food, entertainment, speeches and awards.

Honors Day held each May, is a very special time in which the university pauses to pay tribute to student achievement.

Greek Week is a celebration of Greeks on campus.

Greek Assemblies occur during fall and spring semesters.

Great Beginnings is a series of events to welcome entering freshmen and transfer students.

Founders Day is a celebration by faculty, staff and students to commemorate the founding of Murray State University in 1922.

> CULTURAL, SOCIAL, RECREATIONAL AND SPORTING ACTIVITIES

Away from Home

You are now in the often warm, often sunny lake region of west Kentucky. Outdoor activities abound—swimming, boating, hiking, golf, tennis, horseback riding, camping, fishing, sailing, water skiing, and more. If you like the great outdoors, you've come to the right place.

Summer is the dominant season in Murray. From March to November the days are generally warm. Of course, into each life some rain must fall, so remember to bring wet weather gear too. December usually heralds our short winter season featuring occasionally heavy snow and ice, some very cold days, some warmer days, clouds, and wetness.

But the blustery spring season arrives early and beautifully to the Jackson Purchase region, and the school year closes out on a note of flowers, greenery, and warm, sunny days once more.

The city of Murray has much to offer you. There is a modern cinema to entertain those who are interested in the big screen. The theater is a short walk from campus. Also, Murray is home to an active and excellent community theater which performs at the Playhouse in the Park located in the city-county park just two blocks from campus.

Three Kentucky state parks, one Tennessee state park, and the Land Between the Lakes, a huge national recreation area, are within a half-hour drive from campus.

Murray has a wide variety of stores. There are department stores, clothing stores, shoe stores, drug stores, boutiques and craft shops of every description. There is also a large number of grocery stores and restaurants to keep the calorie count high, and banks to make or break your pocketbook.

But above all, Murray offers a friendly town, clean air, and outdoor recreational opportunities.

Campus Communications

Three student publications, a campus radio station, and a campus cable television station operate at Murray State University.

The Murray State News, a student-produced newspaper, is published every Thursday during the spring and fall semesters. Copies are available in all residential colleges and most buildings across campus, as well as off campus. The student staff is advised by a faculty member from MSU's department of journalism and mass communications.

WKMS-FM and MSU TV-11 occupy 17,000 square feet of space—the entire top floor of the Price Doyle Fine Arts Center. Facilities feature a 100,000-watt stereo FM radio station and television studios. The stations produce regional specials of local interest and also air programs of general entertainment interest. TV-11 con-

tains programming of educational interest that airs over Charter Communications and Murray Electric in Murray and Mayfield.

MSU Athletics

■ Intercollegiate Athletics

Murray State University is a member of the National Collegiate Athletic Association (NCAA) and is a charter member of the Ohio Valley Conference (OVC). The university takes pride in maintaining a balanced athletic program with teams challenging for conference championships in almost every sport each year. The university's athletic teams have demonstrated continued excellence through their consistent high placement in the OVC's all-sports trophy competition.

Men's teams from Murray State compete in football, basketball, baseball, cross country and golf. MSU's women's teams compete in volleyball, basketball, indoor and outdoor track, golf, tennis, cross country, soccer and softball.

In addition to traditional sports, Murray State's coeducational rifle team has won three NCAA team national championships and has established itself as a recognized power in the sport. Its former athletes include a long list of All-Americans and Olympic medalists.

As a full-time student you are encouraged to attend all home athletic events. Your Murray State ID card entitles you to free admission to most home events.

MSU Speech and Debate Union

Murray State is committed to promoting open debate and discussion about local, regional, national and international issues. The MSU Speech and Debate Union, sponsored by the Department of Organizational Communication, provides opportunities for students to develop speech/debate skills and demonstrate those skills in competition. Patterned after Oxford University's Union, the SDU serves as the umbrella organization comprised of the eight residential college debate societies. The SDU meets twice a month throughout the year within the various residential colleges to conduct skill-building workshops and prepare for competitions between residential college teams. Teams from each residential college participate in the Dean's Debate (fall semester) and the Provost Premiere (spring semester) competitions. Prizes and scholarship awards are awarded to winning teams and their residential colleges. Top performing members may also have the opportunity to travel to state and national competitions. Membership in the residential college debate societies is open to

all students. Those interested in these activities should contact the Speech and Debate Union at 270.809.4467.

Performing and Visual Arts Opportunities

Cultural offerings abound on campus and in the community. These include art exhibits, concerts, recitals, musical theatre and drama attractions as well as lectures, readings and film festivals.

The College of Humanities and Fine Arts sponsors student and faculty programming and brings outside attractions to the campus as well. The Department of Art and Design, English and Philosophy, Music and Theatre publish their own calendar of events on their websites. Most events are free and open to the general public. Students can see plays and musicals and can attend poetry readings, art exhibits and concerts on campus. Weekly events are listed in the college's weekly newsletters available on the web.

Students are encouraged to participate in art, drama, dance, music and creative writing. Often the desire to participate is more important than experience or a student's major. Inquire through the College of Humanities and Fine Arts (270.809.6937) or the appropriate department.

Special places on campus for cultural programming include the Farrell Recital Hall, Lovett Auditorium, Clara M. Eagle Gallery, Curris Center Gallery, Robert E. Johnson Theatre, the Wilson Hall Studio II (310B), and the Performing Arts Hall.

Recreation and Sporting Activities

■ Campus Recreation

Each year students are provided an opportunity for fun, fitness, and competition through a wide variety of activities sponsored by the Campus Recreation office. Organized team and individual competition for both men and women are offered. Sport clubs are ongoing programs in which students may participate. The Campus Recreation office also offers students employment opportunities as either a sports official or a supervisor. All students paying an activity fee, as well as faculty and staff, are eligible for participation in any program offered by the department. Stop by the office, located in the Susan E. Bauernfeind Wellness Center, and find out how you can become involved in these and other activities.

■ Recreational Facilities

Countless recreational opportunities are found both on and off campus. The Carr Health Building houses basketball, swimming, volleyball, racquetball and more. Around campus you will find tennis courts, outdoor basketball courts, sand volleyball courts and several playing fields.

Off campus you need not look far to see that you are in a recreational paradise. Four state parks, two of the largest man-made lakes in the United States, and the Land Between the Lakes recreation area are minutes away. Golf enthusiasts can enjoy pretty days at MSU's own Frances E. Miller Memorial Golf Course just 10 minutes from campus.

> Student Academic Policies and Procedures

If you have any questions about information in this section, call 270-809-5630

Catalogs

The Murray State Academic Bulletin (available at murraystate.edu/registrar) is the official document regarding academic policies and should be referred to when making decisions. The catalog should be used in conjunction with advice from your academic advisor and your RACR degree audit (for undergraduate students). It is the student's responsibility to verify that all requirements are being met for graduation and to meet all published deadlines. The information contained in this section is designed to call critical items to your attention.

Grades

Grades are available on myGate. If you do not have internet access, contact the Office of the Registrar for other options at 270.809.2394. All university classes issue one of the following types of grades to evaluate course work:

- A Exceptional high quality, valued at four points for each credit hour.
- B Good, valued at three points for each credit hour.
- C Fair, valued at two points for each credit hour.
- D Unsatisfactory, but still valued at one point for each credit hour.
- E Failure, no credit, valued at no points but counted as hours attempted.
- P Passing, used in specific pass/fail courses, no quality points, no penalty.
- I Incomplete.
- AU Audit, no credit.
- R Either deferred credit, or course must be repeated (only for certain courses).
- W Withdrawal, no penalty.
- NR Grade not reported by instructor, no credit, no penalty.

You may receive a grade of I (incomplete), if engaged in passing work, and if some relatively small part of the term's work remains undone because of sickness or other reasons satisfactory to the instructor. **This work must be completed and the grade reported by midterm the following semester, excluding summer.**

Once a final grade is recorded, you may not submit missed work, make changes to already-submitted work, nor complete additional assignments to receive a new grade.

Grade Point Average

Each course you take will carry a specific number of credits. The number of credits a course is worth often, but not always, equals the number of times the class meets each week. The catalog and RACR Degree Audit can tell you how many credits a course is worth.

The grade point standing of a student is defined as the ratio of the total number of quality

points to the total number of hours attempted. For example, a student who makes a B average for 128 semester hours would have 384 quality points and a standing of 3.0.

In order to graduate from MSU, you will have to maintain a minimum 2.0 (C) average. Several programs require higher GPAs to receive a degree. The example shown below demonstrates how to calculate a grade point average.

NOTE: Courses in which grades of CR, P, R, AU, I, NR or W are received are not used in calculating GPA.

Incorrect Grade

Grades are recorded in the Office of the Registrar as reported by the faculty at the end of each term. No grade filed in that office may be changed except by the instructor certifying an error has been made.

When an error is made in reporting a grade, the instructor may make the necessary change in the Office of the Registrar within 20 days of the next regular semester following the recording of the grade. A grade will not be changed after a degree is conferred. (The policy concerning the changing of I grades was addressed earlier.)

If you believe a mistake has been made in your grade, you may follow the grade appeals process to attempt to correct the situation. **Grade appeals must be filed within the first 20 days of the next term after the grade was received.** Refer to the catalog for the official grade appeal policy.

Academic Status

Minimum Scholastic Standards

Students are expected to maintain at least a 2.0 cumulative grade point average (GPA). The conditions and actions described below pertain to students whose GPAs fall below 2.0.

- **Academic Warning** – A student will be placed on **Academic Warning** when his or her cumulative GPA is less than 2.0 but is at or above the values listed below for the number of hours the student has attempted. A student on **Academic Warning** may enroll for a maximum of 16 credit hours during the fall or spring term.
- **Academic Probation** – A student will be on

Academic Probation when his or her cumulative GPA is less than the value listed for the number of hours the student has attempted.

Hours attempted	Cumulative GPA
1-32	1.5
33-64	1.7
65-79	1.9
80 or more	2.0

An undergraduate student will be placed on **Academic Probation** at the end of the first grading period in which his or her cumulative GPA falls below the appropriate threshold listed above. A student on probation may register for a maximum of 16 hours during fall or spring.

- **Removal from Probation** – A student will be removed from probation after the probationary semester by reaching or exceeding the appropriate cumulative GPA threshold listed above. Failure to do so will result either in **Continued on Probation or Academic Suspension**.
- **Continued on Probation** – A student who does not meet the cumulative GPA threshold for his or her hours attempted, but earns a **term** GPA of at least 2.0 for the probationary semester will remain on probation and may register for a maximum of 16 hours during the fall or spring term.
- **Academic Suspension** – An undergraduate student will be suspended from the University following a probationary semester in which he or she does not meet the criteria for **Continued on Probation or Removal from Probation** (see above). A student suspended for the first time may not re-enroll until one succeeding (fall or spring) term has passed. An undergraduate student who receives a second **Academic Suspension** may not re-enroll for two calendar years.
- **Registration** – It is the student's responsibility to complete all registration transactions through their myGate (add, drop, withdrawal) by published deadlines. Only the student can make registration changes to their schedules. (See the section on Auditing for the audit policy).

GPA Sample	Class	Earned Credits	Grade	QP	GPA Credits	Quality Points
	English	4	A	(4 points)	x 4	= 16
	History	3	D	(1 point)	x 3	= 3
	Biology	4	C	(2 points)	x 4	= 8
	Math	5	C	(2 points)	x 5	= 10
	Orientation	1	P	(0 points)	-	= 0
		<u>17</u>				

In order to calculate the grade point average (GPA) of the above example, just divide the quality points (37) by the number of GPA credit hours attempted (16). Which yields a 2.31 GPA.

- **Academic Suspension Appeals** – A student who has been academically suspended or dismissed may request reinstatement for the following semester by submitting an Academic Suspension Appeal Form with supporting documentation to the Office of the Registrar for special consideration if the student feels there were extenuating circumstances beyond his/her control which led to the suspension or dismissal. The Academic Suspension Appeal Form can be found on the Office of the Registrar website at www.murraystate.edu/registrar. Submitted academic suspension appeals will be heard by the Academic Appeals Board in May, August and January. All appeals must be on file at least seven days before the first day of the semester for the appeal for reinstatement. **Being reinstated on academic probation does not remove prior academic standing from a student's academic record.**

(NOTE: It is possible to be academically eligible to enroll and yet not be eligible for financial aid.)

Academic Advisement

In the process of obtaining a degree, front-line assistance is provided by your faculty advisor. A degree audit (RACR, see p. 17) is also available on myGate. You should consult with your advisor prior to planning your schedule or anytime you have academic or career questions or if you are thinking of changing your major. All undergraduate students and many graduate students are required to see an academic advisor prior to advance scheduling. Students can see any scheduling holds on myGate and will not be able to schedule until the holds are removed.

However, please remember that while the student advisement program is designed to aid you in achieving success, you are ultimately responsible for your own education. Become familiar with requirements and policies that will affect your educational decisions.

If you are having difficulty in a particular class, discuss it with your instructor. You may be surprised at the concern faculty members demonstrate in dealing with the problems of their students.

Changing Address/ Phone Information

Students are required to keep their addresses and telephone numbers current. Address changes can be submitted through myGate, student self-service.

Changing Majors

It is not unusual for college students to change majors several times before graduation. If you would like some help in choosing a new major, the Counseling Center and the Center for Academic Advising are well equipped to provide you with such assistance. Degree audits (RACR, see p. 17), available on myGate, are also helpful when trying to decide on a new major or minor.

“What-if” versions can be run to illustrate the remaining requirements should you decide to change majors.

To change majors, see either your present advisor or your new department chair. After forms are filled in, you will be assigned a new advisor by the chair of your new department. The change of major form **must** be submitted to the Office of the Registrar for processing. Your current advisor and major are listed on myGate.

Registration

Each semester, information about advance scheduling and late registration dates and times is available on myGate. myGate usernames are e-mailed to you when your e-mail account is created. If you are a new student, you will receive your credentials in your admission letter. If you have not received this letter, you may contact the Service Desk at 270-809-2346. More information is available on the Murray State RacerNet homepage under the link myGate. Schedules of classes are available in October for the winter term and next spring term, and in February for the following summer and fall terms. The schedule of classes can be viewed on myGate, Academics Tab and online at murraystate.edu.

- It is the student's responsibility to be aware of and verify completion of class prerequisites prior to scheduling. Course descriptions which include any required prerequisites are listed in the University Bulletin, found on the Office of the Registrar webpage (murraystate.edu/academics/RegistrarsOffice) and on the RACR degree audit by clicking the course.
- It is the student's responsibility to complete ALL registration transactions through their myGate (add, drop, withdraw) by published deadlines. Only the student can make registration changes to their schedules. (see the section on Auditing for the Audit policy).
- It is the student's responsibility to verify his/her class schedule via myGate.
- It is the student's responsibility to be aware of and comply with published university add, drop and audit deadlines.

For more information contact the Office of the Registrar at 270.809.2394 during office hours 8 a.m. to 4:30 p.m.

NOTE: A student's selected courses will be deleted by the university if fee payment arrangements have not been met by the deadline stated in the University Calendar.

E-mail Accounts

All students are required to monitor their MSU e-mail daily. Murray State's e-mail system is the official means by which the university communicates with students. You will use your murraystate.edu e-mail account to receive important information from the Student Financial Aid Office, the Bursar's Office, Office of the Registrar, Student Affairs, etc. It also enables faculty to easily communicate with you about classwork. Check your MSU e-mail daily to ensure that you are aware of all university deadlines and schedules.

Although you as a student have the right to maintain an alternative e-mail account (such as hotmail or yahoo) for your primary means of communication, you must arrange for your murraystate.edu e-mail to be forwarded to any other account you use. For more information call 270.809.6116 or visit the following website: <http://support.murraystate.edu>.

Full-Time Status

An undergraduate student who enrolls for 12 or more hours is considered a full-time student. Often you will need a letter verifying this fact for insurance companies, scholarships or loan deferments. You may request an enrollment verification from your myGate Academics tab. For questions contact the Office of the Registrar, 270.809.5032 or email msu.verifications@murraystate.edu.

Adding, Auditing, or Dropping Classes

After registration each semester, there are designated periods of time in which you may add, drop, or change classes to or from audit. Adds must be completed within the first week of classes. Review the university calendar for specific dates and deadlines. To audit means to **attend and participate** in class without earning credit or a regular letter grade.

Auditing a class requires the written permission of the course's instructor and, therefore, cannot be processed via myGate. Failure to attend class and complete required work will result in a failing grade. Submit instructor approved Audit form to the Registration Office by the published deadline to audit a class: support.murraystate.edu. You have one week to decide to drop a class without a grade for a full semester class. This is followed by approximately 10 weeks in which you may drop a class and receive a W grade which will not affect your GPA. (Check the university calendar for exact dates for all sessions as they are SUBJECT TO CHANGE.)

Review the university calendar for specific dates and deadlines. It is the student's responsibility to comply with the published university deadlines. Check myGate often. murraystate.edu/academics/RegistrarsOffice/calendarsandscheduling/index

Dropping Out of School

If you leave the university during the semester and do not officially withdraw, the courses you have been taking will all be recorded on your academic record with failing grades.

Before you withdraw, please check the university calendar regarding withdrawal dates and refunds, and check on how withdrawing will affect scholarships, medical insurance, financial aid, deferments, etc. To withdraw properly:

1. Go to myGate Academics tab.
2. Click the link, “Withdraw from All Courses,” under the Registration tab.
3. Read the withdrawal instructions.
4. To complete the withdrawal process, click the

- “continue withdrawal process” button.
- Complete the information.
 - To submit your withdrawal request, click SUBMIT button at the bottom of the page.

Phone-in withdrawals are not permissible. The Office of the Registrar must receive your withdrawal request through myGate to officially withdraw you from all of your classes. If you do not receive confirmation emails please follow-up with the Registration Office at msu.registration@murraystate.edu or call 270.809.2346 immediately.

An email confirmation is sent to your MSU email account notifying you of the successful submission. You will receive a second email once your withdrawal is officially processed.

Your refund, if applicable, is based on the date you complete your withdrawal. See the Schedule of Fees for specific details. www.murraystate.edu/Admissions/BursarsOffice/tuitionrules.aspx

Attendance Policy

Students are expected to attend all classes in which they are enrolled for credit or audit purposes including the first day of class. An instructor may establish attendance policies for each class so long as they: (1) are clearly published in the course syllabus, (2) distinguish between excused and unexcused absences and (3) are consistent with university policies as outlined in the Academic Bulletin.

Excused absences fall into two broad categories:

- Absence due to personal illness or death in the immediate family or other extraordinary personal circumstance. Faculty may require appropriate authentication or documentation.
- Absence due to student participation in a University Sanctioned Event in which the student serves as a representative of the institution. University Sanctioned Events shall include

those officially scheduled activities (practice and training sessions NOT included) related to intercollegiate athletics, performing groups and teams who represent the university in debate, forensics or other academic competitions. Other activities and events may be added to this listing upon recommendation of the Sanctioned Events Committee and approval by the provost. This committee shall consist of the vice president for Student Affairs, the director of Athletics, the Faculty Senate president, a student appointed by the president of the Student Government Association and the provost or his designee. The official list of approved, sanctioned activities and events shall be maintained in the Office of the Provost.

Attendance and participation in class activities is essential to success in college. Absences, for whatever purposes, can potentially undermine the shared goal of student learning. In cases where student absences are clearly unavoidable, it is essential that students and faculty alike approach the resolution of the difficulty with a clear commitment to the mutual goal of student learning.

Responsibilities of Students: Students missing class(es) as a result of activities covered above **shall notify the instructor in writing at the beginning of the semester and, in the case of scheduled events, this notification shall not be less than one week prior to the absence.** Students with excused absences are excused from class attendance, but are not excused from work assigned or expected as a part of that class period. Students, in conjunction with each course instructor, are required to develop a plan for alternative assignments or the make-up of all work missed and must complete this work within a time frame mutually agreed upon with the instructor.

Responsibilities of Faculty: Faculty are expected to plan with students who have excused absences to develop alternatives and make-up assignments. Such alternatives are not expected

to diminish faculty expectations of students, nor may they reduce opportunities for students to demonstrate performance.

Responsibilities of Others: Deans and department chairs share the responsibility for insuring proper orientation of all full and part-time faculty regarding the provisions of this policy. Administrators, sponsors and coaches of various student activities share an important role in ensuring that students understand their responsibilities with respect to this aspect of student performance. Specific guidelines and procedures should be developed for each sport or activity to ensure timely communication between students and faculty. Advance lists of varsity/participating students along with schedules of away or off-campus activities or matches should be provided to students so that they, in turn, can share this information with faculty at the beginning of the semester.

Questions and Appeals: In the event of questions or concerns regarding the implementation of this policy in specific classroom situations, students and faculty should be guided by the following:

- If there is a question regarding whether a specific activity is an officially sanctioned event for which terms of this policy might apply, the inquiry should be addressed to the Office of the Provost.
- In the event a student is concerned with the implementation of this policy in a specific course, the student should try to resolve the matter by discussing it first with the instructor, then with the department chair, and if resolution is still not reached, then with the collegiate dean. If the matter is not settled through this process, the student may seek resolution through the appropriate collegiate grievance/appeal process.
- Instances of student abuse or violation of the terms of this policy should be reported to the dean or director responsible for the sanctioned event and to the vice president for Student Affairs.

Important Notice

It is the sole responsibility of each student to know and comply with all special course or enrollment requirements of specific organizations, services or programs that include but are not limited to the following:

Athletics
Community Based Service
Financial Aid
Fraternities
Honors Program
Housing
Immigration
Insurance
JTPA
Scholarships
Sororities
Student Employment
Teacher Education
Veterans' Services
Vocational Rehabilitation

Racer Academic Completion Report (RACR)

— Murray State University's Degree Audit

A degree audit is a student service that is designed to enhance the advising and degree certification processes by:

- > Providing up-to-date information about a student's progress toward a specific degree and grade point averages overall, at MSU and in the majors and minors.
- > Providing timely personal messages to students and advisors about important dates, problems and prerequisites that affect a student's academic progress.
- > Facilitating the “degree shopping” process for students wishing to explore new major or degree options.
- > Documenting any approved exceptions to a student's degree program.

A degree audit is available through myGate. More information about degree audits can be obtained in the Office of the Registrar by phone at 270.809.2685, or by e-mail: msu.racr@murraystate.edu.

Graduation Requirements

All candidates for undergraduate degrees are expected to make formal application at least one semester in advance of the commencement at which the degree is to be conferred. Degrees are awarded in December, May and at the end of the summer term. If you plan to graduate in December, you must apply by the April 1 deadline. May graduates must apply by the November 1 deadline, and summer graduates must apply by the March 1 deadline. See the university calendar for specific dates. Late applications will result in degrees being conferred at the next available date.

Students must apply for graduation via myGate. The \$50 degree fee must be paid at the time of application. Once filed, changing the expected date of graduation requires completion of a Graduation Information Change Form with the student's signature. A notice of graduation status is furnished to the student and advisor by the Office of the Registrar.

You must pay all fees due the university and be recommended for the degree to the Board of Regents of Murray State before you may

graduate. Formal commencement exercises are held at the end of the fall and spring semesters. Specific academic attire is required and may be purchased at the University Store. August graduates are encouraged to participate in the May graduation ceremony of the same year.

Students are assigned to the latest Bulletin in effect at the time of admission but may choose to move to a more current Bulletin or be required to move to a more current Bulletin if they switch majors. Students who are re-admitted or transferring to Murray State may declare any active Bulletin since their initial enrollment at any accredited institution.

> University Studies

The University Studies component of the Murray State University undergraduate program aims to provide students with a broad-based, liberal arts and sciences education as a foundation for their academic specialty. University Studies courses should: develop students' communication skills; encourage students to think creatively while gathering, analyzing, and evaluating information to reach logical decisions; and familiarize students with the roles and applications of science and technology toward resolving problems in an ever-changing world. Furthermore, students will gain a critical understanding of the world's historical, literary, philosophical and artistic traditions. Within this broad context, students will come to understand the dynamics of cultural diversity, of competing economic and political systems, of social responsibility, and of complex moral and ethical issues.

The core of the University Studies program consists of five courses (or requirements). Students completing a bachelor's degree at Murray State University must complete one semester of composition (ENG 105 or ENG 150), one semester of Humanities (HUM 211), one semester of World History (CIV 201 or CIV 202), one course in mathematics, and a science course with a lab. Students pursuing a Bachelor of Arts degree will also take a minimum of six hours in a single foreign language, culminating in proficiency at 202 level or above in Chinese, French, German, Japanese, or Spanish.

The program is organized thematically to emphasize the focus of an undergraduate education at MSU:

- **Oral and Written Communication**
- **Scientific Inquiry, Methodologies and Quantitative Skills**
- **World's Historical, Literary and Philosophical Traditions**
- **Global Awareness, Cultural Diversity and the World's Artistic Traditions**
- **Social and Self-Awareness and Responsible Citizenship.**

Individual courses included under these rubrics encourage students to think independently and creatively while applying sound standards of information gathering, analysis and evaluation to reach logical decisions. These foundational approaches provide the basis for students to write well and to speak clearly and coherently. Additionally, Murray State University undergraduates will become familiar with the roles and applications of science and technology in the solution of the problems facing a changing world.

In order to better understand how change occurs in the world around them, students will gain a critical understanding of the world's historical, literary, philosophical and artistic traditions. Within this broad context, students will come to understand the dynamics of cultural diversity, of competing economic and political systems, and of complex moral and ethical issues.

> BA Degree Plan

Oral and Written Communication 7 hrs*
 ENG 105
 COM 161

Scientific Inquiry, Methodologies and Quantitative Skills7-10 hrs
 One science course with lab (4-5 hrs)
 One math course (3-5 hrs)

World's Historical, Literary and Philosophical Traditions9 hrs
 One required course in world civilizations
 One required course in humanities (HUM 211)
 One elective in this category

Global Awareness, Cultural Diversity and the World's Artistic Traditions 9-15 hrs**
 Minimum of six hours in a single foreign language, culminating in proficiency at 202 level or above
 One elective in this category

Social and Self-Awareness and Responsible Citizenship6 hrs
 Two courses, one from each category:

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association would like to welcome you to Murray State University and take this opportunity to tell you about our organization and how YOU can become a part of Student Government. The Student Government Association has four branches: Student Senate, Campus Activities Board, Judicial Board and the Residential College Association. Through these components of the Student Government Association, we can make Murray State University a great experience during our time here.

Student Senate

Students involved in the Student Senate gain experience in Murray State's legislative process. Three senators from each academic college or school of the university, two from each residential college and eight senators-at-large are elected each March through a campus-wide online election. Two freshmen senators are elected in September by the freshman class. Aside from passing legislation at its weekly meetings, the Student Senate provides informational materials, the campus planner, voter registration and a campus voice (Student Regent) to the Board of Regents.

To qualify as a senator, you must maintain a 2.0 cumulative grade point standing during the term of office.

Within the Student Senate there are six positions in which five are appointed by the Senate. They are Public Relations, Elections Ways and Means, University Affairs, Multimedia and Government Relations and Diversity and Inclusion. Public Relations handles all the publications for the Senate, such as information materials and the campus planner. It also assists in constituency relations. Elections Ways and Means handles all Student Government-sponsored elections and homecoming elections. University Affairs organizes activities such as voter registration for students and rallies for higher education and oversees the S.L.I.P. fund distribution to student organizations. The Residential College Affairs chairperson, elected in March, presides over the Residential College Association meetings and is responsible for communicating the needs of the Residential Colleges to the Senate.

One duty of the freshman senators is to chair the standing senate committee: Freshman Council. The council consists of freshmen that are selected through an application and interview process. The purpose of the council is to discuss issues, promote services by Murray State and plan activities for the freshman student body.

The Senate sponsors the Ralph Woods Outstanding Student Leadership Award, the Max Carman Outstanding Teacher Award and the Jim

Baurer Outstanding Staff Award annually. SGA also supports all functions concerning students and higher education. The Senate's meetings are open to all, and it meets Wednesdays at 4:30 p.m. on the third floor of the Curris Center. To air complaints or offer suggestions, you may either attend the meeting or talk with the senator of your college or a senator at-large. You may get to know your senators by contacting them through the Center for Student Involvement at 270.809.6951.

Campus Activities Board

The Campus Activities Board is composed of 12 chairpersons with committees who plan and promote activities for students and the community. The chairpersons are students appointed by SGA each spring and the Residential College Activities chair, which is elected in the spring. All members must maintain a 2.5 cumulative grade point average while in office.

Activities provided by the CAB include concerts, lectures, comedy and musical acts, the Ms MSU Pageant, Homecoming parade and events, spontaneous events in the Curris Center, multicultural events, freshman and spring weeks, plus much more.

- **Innovative Acts:** Musicians, comedians, magicians, novelty acts, video buttons, Fun Flicks, Virtual Reality, Wax Hands and many other activities.

- **Showcasing:** In charge of recruiting talented students across MSU who wish to showcase their talent (music, comedy, etc.) to the student body in organized events. Also oversees the movie series.

- **Ms MSU Scholarship Pageant:** Traditionally one of the finest university pageants in the country, which provides a total of \$2,000 in scholarships.

- **Performance:** Some of the biggest names and most interesting topics in the lecture field have appeared on MSU's campus. Recent lecturers were Robert Kennedy Jr., Prime Minister Bhutto, Mike Ditka, Edward James Olmos, Dave Ramsey, Danny Glover, President F. W. deKlerk, Maya Angelou, Ben Stein, Blake Mycoskie, Jackie Joyner-Kersey, President Lech Walesa, Archbishop Desmond Tutu, Anthony Ervin, Stephen A. Smith and Bill Nye.

Nationally known "big name" entertainment is planned by the concert committee. In the past, such acts as George Carlin, Travis Tritt, Alan Jackson, Alison Krauss, Gin Blossoms, Sinbad, Vince Gill, Carrot Top, Jeff Foxworthy, Tracy Lawrence, MTV Campus Invasion Tour with Garbage and Lit, Dave Matthews, Widespread

Panic, 3 Doors Down, Lifehouse, Nickelback, The Calling, Michelle Branch, Nelly & the St. Lunatics, K-Ci & JoJo, Default, Nickel Creek, Jars of Clay, Caedmon's Call, Jason Marz, Kanye West, Everson Drive, Matt Kearney, John Mayer and Maroon 5 have appeared as well as many local blues, reggae and jazz performers.

- **Homecoming/Murray Madness:** A parade, football game, open house, receptions, dances, tent city and halftime activities are each a part of the festivities. Committee members will coordinate Spring Week and other special or thematic programs.

- **Diversity Awareness:** A continuing program of dances, lectures and varied multicultural programs are designed to bring the student population together.

- **Publicity:** Works with all committees of the CAB to organize publicity for all the events planned. The Publicity Committee consists of three members: two computer graphics chairs and one artistic painting/media planning/distribution chair. Publicity Committee members gain experience in graphics, newspaper ads and specialty advertising.

- **Residential College Activities:** To offer entertaining and enlightening programs within the Residential Colleges.

- **Membership:** Communicates with all members of CAB. Is the liaison between the chairs of the committees and the members who wish to be involved on the committees.

The CAB meetings are held on Tuesdays at 5 p.m. Center of Student Involvement first floor Curris Center and are open to the public.

Judicial Board

The Judicial Board is the judicial body of SGA. To be one of the ten members, applicants must have at least sophomore status, a 2.5 grade point average, and not be an officer or member of any other branch of SGA. These positions are appointed in April of each year. At its meetings, the board reviews parking tickets and hears appeals.

Residential College Association

The Residential College Association is a branch of the Student Government Association. Its purpose is to represent the interests of

all members of the Residential College system, including all Murray State students as well as faculty and staff of the university. While RCA is charged with representing all Residential College members, it primarily focuses on representing those students who live within the Residential Colleges. Each Residential College will elect at least one RCA representative, who will join the Residential College president and the two elected Residential College senators at each RCA meeting. This group of four Residential College members will work collectively to represent the needs of the residents in all matters brought before RCA.

How do I become involved in the four branches of the Student Government Association?

Student Senate

To be elected as a senator or an executive officer, you must apply at the CSI office/online to have your name on the ballot and must adhere to SGA campaign guidelines.

To be appointed a Senate chairperson, you must apply at the CSI office/online. You will interview before the executive officers of the Senate and be confirmed by the Senate members.

To be a member of the Freshman Council, you must be a freshman and be selected through an application and interview process.

Senate members must maintain a 2.0 cumulative grade point standing while in office. The Senate meets every Wednesday at 4:30 p.m. in the Barkley Room of the Curris Center. CSI is located on the 1st floor of the Curris Center.

Campus Activities Board

Except for the Residential College Affairs chairperson, all other chairs must file an application in the office and interview before a committee made up of members from the four branches of SGA. Members of CAB must maintain a 2.5 cumulative grade point standing during their term in office. Anyone may serve on a committee. The CAB meets each Tuesday at 5 p.m. in the Center for Student Involvement first floor Curris Center. Meetings are open to the public.

Judicial Board

To be eligible to serve on the Judicial Board, you must file an application in the office and have at least a sophomore status, a 2.5 grade point average and not be an officer or member of any other branch of SGA. You will interview before the Senate members.

Residential College Association

Elections for RCA officers will be held two weeks after the SGA elections in April. To be elected as an RCA officer, you must apply in the RCA office to have your name on the ballot. All candidates for office must adhere to RCA campaign guidelines. Candidates will be elected to their position by a popular vote of the student body. The elections will be held over a two-day period, and polling stations will be set up in each Residential College.

The other members of the RCA, including the Residential College presidents, senators, and RCA representatives, are elected by popular vote within each Residential College and according to their respective election processes. RCA committee chairpersons are appointed by the RCA president, and are confirmed by the RCA Executive Board.

All members of RCA must maintain a 2.0 minimum cumulative GPA for their entire term of office. The Residential College Association meets every Monday at 5 p.m. in the Barkley Room of the Curris Center.

STUDENT ORGANIZATIONS

Regulation of Student Groups

The Center for Student Involvement Office is charged with the registration and general supervision of all recognized student groups.

The Student Affairs/Judicial Affairs office is charged with the disciplining of those organizations found guilty of any of the following offenses:

- Hazing;
- Misuse of university facilities;
- Violations of University rules or policies as stated in the Code of Conduct or city, state, or federal laws;
- Discriminating, contrary to state or federal law, against any person due to race, sex, age, religion, disability, or national origin;
- Recurrent non-payment of legitimate debts to the university;
- Failure to properly clear on-campus events and facilities usage through the appropriate channels;

Any group found guilty of any of the above offenses may be penalized via one or more of the following denials of privileges and may be subject to sanctions listed in the Student Life Handbook. (see Student Life Policies.)

- Warning – Written notification that the organization's actions are unacceptable and that a continuation or repetition of such actions will result in more severe disciplinary action;
 - Probation – A definite period of observation and review of conduct not to exceed twelve (12) months' duration. Violations of University regulations during a probationary period may result in the removal of University recognition;
 - Denial of use of University facilities;
 - Restriction placed on membership solicitation;
 - Forfeiture of right to representation in the Student Handbook, University Bulletin, or other University publications;
 - Denial or forfeiture of the right to function as a campus organization for a definite or indefinite period of time;
 - Forfeiture of right of representation in other University organizations such as IFC, intramurals, etc.;
 - May be required to develop and participate in self-improvement and educational programs.
- All appeal procedures will be consistent with the appeal process as stated in the Student Life Handbook. (See Student Life Policies)

Clubs and Organizations

Murray State University clubs and organizations extend learning from the classroom and textbooks to real-life situations. By becoming involved in one of more than 150 groups, students gain skills in areas such as leadership, problem solving, goal setting, public relations and diplomacy. Student organization directories are available on the Student Organizations website. The directories include information about a group such as its purpose, advisor, president and how to get in contact with the group.

Check out our website: msusga.com

Registration process

Any student organization wishing to use university facilities or property, the university name, or to solicit membership on campus must register with the Center for Student Involvement office no later than the third Friday in September each year. Registration is available online at the Student Organization website.

A copy of the organization's constitution, a clear statement of purpose and requirements and obligations of members must be turned in to the Center for Student Involvement in order to complete the registration process. Also included must be a statement that (1) membership is limited to students (2) there is no discrimination in membership selection unless stated legal purposes of the organization require limitations to sex or religion; and (3) the organization will abide by the regulations of the laws of the land.

Newly formed groups may register online at any time during the school year and may hold two meetings on campus for organizational purposes prior to registering with the university.

Any student organization may be denied registration privileges or have its registration withdrawn if it is determined through established review processes that the goals and purposes of the organization are in conflict with the goals and purposes of the university. (see Policies on Regulation of Student Groups.)

Advisory Support Statement

The university recognizes the importance of student clubs and organizations in providing laboratories for learning, social contact, and leadership development. Advisors are important contributors of support and advice to these groups. This statement is provided to help clubs and organizations better understand the role of advisors at Murray State University.

Each club must understand that the collective group is responsible for compliance with all applicable rules and regulations of the university as well as state and federal laws.

Individual members are responsible for their own behavior.

Advisors are volunteers and do not control the club. Their role is one of support. They provide advice, recommendations and suggestions when asked. The advisor does not assume to take responsibility for actions or conduct of club members.

Statement on Hazing

Murray State University recognizes that student organizations exist for the purpose of extending opportunities for education, social interaction, leadership and skill development, and personal growth beyond the classroom. Therefore, the practice of hazing associate members, initiates or members is antithetical to the purposes of registered student organizations at Murray State University and is strictly prohibited by the University and a violation of Chapter 164 of Kentucky Revised Statutes. In pertinent part, the Statute reads as follows:

“(This Statute) prohibits any action or situation which recklessly or intentionally endangers mental or physical health or involves the forced consumption of liquor or drugs for the purpose of initiation or affiliation with any organization ... in the case of a student or faculty violator, (violation of this Statute shall result in) suspension, expulsion or other appropriate disciplinary action and, in the case of an organization which authorizes such conduct, (violation shall result in) rescission of permission for that organization to operate on campus property. Such penalties shall be in addition to any penalty pursuant to the penal law or any other chapter (of Kentucky Revised Statutes) to which a violator or organization may be subject.”

Murray State University defines hazing as any on-campus or off-campus activity which results in mental or physical harassment, humiliation, degradation, ridicule, shock, endangerment, physical disfigurement, excessive fatigue, danger to health or the involuntary consumption of alcohol or drugs.

This prohibition against hazing applies equally to student organizations, individual students, faculty and staff members, visitors to the campus, and licensees and invitees on the campus. Anyone who witnesses an act of hazing should report it at once to Student Affairs.

Any student who participates in hazing as defined above has violated the Murray State University Code of Conduct and will be subject to disciplinary action as described in the Standards in Disciplinary Proceedings of the Student Life Policies. Any organization which authorizes or permits hazing to occur has violated the policy statement on Regulation of Student Groups and will be subject to group disciplinary action as outlined in that policy.

Greek Life

Through fraternities and sororities, students have the opportunity to develop leadership skills, personal responsibility, accountability and many lasting friendships. The Murray State University Greek system is a very strong and significant part of the campus community. Many registered student organization officers and campus leaders are also affiliated with a Greek organization. Greek students consistently maintain high GPAs and are active both as students and alumni.

Each fraternity and sorority has its own set of standards and values, and these organizations are also held to community standards of leadership, service and philanthropy, brotherhood and sisterhood, and scholarship. These organizations commit to making a well-rounded experience for their members while at Murray State University and preparing them for life after college.

The Greek community at Murray State University is comprised of 23 individual fraternities and sororities, one honor society and three

governing councils.

- The Collegiate Panhellenic Council (CPC) is the governing body of the women's fraternities and sororities. The CPC is responsible for ensuring all of its member organizations are in accordance with the National Panhellenic Conference (NPC) agreements, policies and procedures, planning sorority recruitment, providing educational opportunities to its member organizations and serving as the liaison with the university and community.
- The Interfraternity Council (IFC) is the governing body of the men's fraternities. The council advocates on behalf of the fraternities, encourages collaboration amongst organizations and educates the community on fraternity life. It also establishes policies for its members in accordance with the North-American Interfraternity Conference (NIC), plans fraternity recruitment and serves as a liaison with the university and community.
- The National Pan-Hellenic Council (NPHC) is the governing body of the historically African-American fraternities and sororities at Murray State University. The NPHC provides social, cultural and educational programming to its members, plans the annual Homecoming Step Show and serves as a liaison with the university and community on behalf of its member organizations.

> Residence Life

Residential Colleges

The residential college is the hub of the collegiate living and learning experience at Murray State University. The residence hall is at the heart of each residential college and is the focal point for residential college activities.

Each residential college is composed of residential and commuting students from a variety of academic majors, grade classifications, ethnic backgrounds and extra-curricular interests. This residential college is a tradition that dates back to the Yale-Princeton model. It is more than an organizational structure; it is a very personal way for the student to become involved in college and to succeed.

Students benefit from the nurturing environment of a small college atmosphere by daily interaction with the faculty and staff from the respective colleges. The residential college concept promotes the development of student leadership skills, the responsibility of self-governance and results in the establishment of traditions, enduring friendships and lasting bonds.

Every undergraduate student belongs to one of the residential colleges. Each college has approximately 1,000 students assigned to the college. These students are both residential and commuting students.

Our Mission

The Department of Housing and Residence Life has the primary responsibility to provide reasonably priced, secure, and well-maintained on-campus housing for the residential population at Murray State University. We support the residential college system by providing residence halls to serve as the focal point of each college; by training and supervising hall staff; and by encouraging interaction between faculty, staff and residential students, involvement in campus activities, academic success and personal growth.

The mission may be accomplished through the following strategies:

- Developing living-learning environments that enhance and promote the growth and development of a diverse population.
- Providing facilities that are well maintained, safe and clean for students and that can accommodate residential life programs.
- Providing management services that ensure the orderly and effective administration of all aspects of the program, and related services that effectively meet institutional and residential life program goals.

The success of the campus experience depends on the student, and it is the department's hope and challenge that the student will take an active role in determining that success. The student's commitment, consideration and

cooperation will be significant in making their group living experience rewarding and satisfying.

At Murray State University, residence life can mean:

- A challenging and supportive environment conducive to personal growth.
- Effective utilization of resources.
- Clean, comfortable facilities.
- The personalization of individual space.
- An emphasis on programming.
- Community membership and interaction.
- Leadership opportunities.
- Mutual respect and consideration of others.
- Participation in student governance.
- Competent and committed staff.
- Academic opportunities.

Residential Living

In today's inflationary times, residential living is rapidly becoming one of life's great bargains. In addition to being reasonably priced, residential living offers an irreplaceable and unforgettable living experience. The residential colleges are full of activity; social, academic, interpersonal and educational opportunities abound. The residential college program at Murray State is a key component of the Student Affairs division; it plays a very important role in the overall growth and development of the student.

A key component to the success of each residential college is the College Head, who is typically a tenured faculty member. Each College Head works with a variety of student leaders including the College Head Assistant and the Athletic Director. The College Head also works with the Residential College Council President and serves as the advisor to the RCC, as well as various other responsibilities that they have both in the college and in their academic unit. Each building also has a Residence Director, Resident Advisors, desk workers and student rovers. These staff members are committed to the residential college concept and to making the residential college experience the best it can be. Staff members are there to assist students and to help provide an environment conducive to developing skills in living and working with a diversity of individuals.

The residential colleges offer a range of programs that focus on a positive wellness model. Each college head will work with staff to foster programs that include academic assistance, student skills, and a multitude of social and educational programs.

All residential colleges except one are coed. This means both men and women are assigned to the same building; however, the genders are separated by floor or wing. The single-gender building is Springer College.

Each residential college is governed by a residential college governing council (RCC) composed of students selected by residents

and commuters of the college. These governing councils carry out numerous college-wide social, recreational, and educational programs. These councils also have the responsibility to help set policies and guidelines for their residential college. Council members participate in leadership/service projects, and they have an opportunity to be on committees. Each council sends representatives to serve on the nationally recognized Residential College Association (RCA).

The Residential College Association, as a part of the Student Government Association, actively advises the university administration on a variety of topics relating to the operation of the university's residential colleges and food service. This body speaks on behalf of the 2,800 campus residents. RCA also sponsors many activities for Murray State University students. Fall Fest and Hanging of the Green are just a couple of these programs. Each residential college council has representation in this organization. RCA also is nationally recognized by NACURH (National Association of College and University Residence Halls) and NRHH (National Residence Hall Honorary). Representatives of this organization have opportunities to attend leadership conferences on the state, regional, and national levels. RCA affords many students the opportunity to become involved in the residential community and university activities.

Residence Life Information

Each room is equipped with twin beds, desks, chairs, closets, drawer space and blinds. The students furnish most other items. Additional suggested items include towels, linens, blankets, clock, radio, area rug, lamp and telephone.

Washers, dryers, vending machines, kitchenettes (with stoves and microwave ovens), study lounges and computer rooms are available in the residential colleges. Hart and White residential colleges each have expanded computer labs with internet access that are available for all students to use.

Residents are encouraged to personalize their rooms but must do so within university guidelines. For specific restrictions, residents are advised to consult the residence director or the housing office. Residents must be careful and should not damage walls, ceilings, floors, doors, furniture, etc. Repair expenses or damage charges will be charged to the resident causing the damage.

The university cannot purchase insurance to cover the theft or loss of personal property; therefore, the university cannot accept responsibility for any such loss or theft. Residents and/or parents should check their homeowner's insurance to assure these items are covered.

■ **On-Campus Housing Requirement** – Freshman and sophomore students (defined as stu-

dents who have completed fewer than sixty hours of college credit) are required to live in university housing for at least four semesters (excluding summer). Exempted from this policy are students who have reached their twenty-first birthday prior to the first day of registration; veterans of at least two years' active military service; married students; students who commute to school daily from the permanent, legal residence of their parents (within a fifty-mile radius); students who have resided in the residential college four semesters (excluding summers); and students who have been enrolled full time at a postsecondary institution for four semesters (excluding summers). The exemption for students wanting to commute daily from their parents' permanent legal residence cannot be approved until the student completes an On-Campus Housing Exemption Application, a Housing Exemption Agreement of Understanding form and provides a notarized letter from the student's parents or legal guardians stating that the student will be commuting from the parent's permanent, legal residence. This documentation must be submitted to the Housing Office. The letter needs to indicate why the parent is requesting the exemption rather than having the student live in the residence halls. Students must complete the exemption request process prior to the first day of classes. Exemptions will not be granted after the semester ends. Appeals must be submitted in writing with any supporting documentation. The student should present the appeal to the Associate Vice President of Student Affairs in 425 Wells Hall. Appeals must be received within five working days from the date of the original exemption decision.

■ **Regional Tuition Discount** – Residents of Alabama, Illinois, Indiana, Missouri and Tennessee will be assessed out-of-state tuition. A tuition discount will be credited for the difference between Murray State University's out-of-state tuition and an average in-state rate, based on colleges from the student's state of residency. In order to receive the regional tuition discount, undergraduate students must be eligible for admission, enroll full time and pay for university housing. Seniors and graduate students are not required to pay for university housing.

■ **Tennessee Reciprocity and Instate Tuition Discount** – Students from Henry, Obion, Stewart and Weakley counties in Tennessee fall under the Tennessee Reciprocity Agreement approved by the KY Council on Postsecondary Education. Students from the four counties in Tennessee are treated as Kentucky students in relation to admission and housing/dining policies. Students are assessed the out-of-state tuition and given a tuition discount to equal the difference between the higher of the Kentucky in-state rate or the average Tennessee in-state rate. Montgomery County in Tennessee is treated the same as the other four counties except for the admission policy.

Students from Massac County in Illinois and Posey, Vanderburgh or Warrick counties in Indiana are eligible for the in-state tuition dis-

count. Students are assessed out-of-state tuition and receive a tuition discount for the difference between in-state and out-of-state tuition rates. Students from these counties will be treated as Kentucky students in relation to housing and dining policies.

■ **Application and Assignments** – The application for university housing is now an online process. To apply, students must be admitted to the university and have a university-issued M#. Students must log into MyGate to begin the process. Once in MyGate, click on the money tab in the blue area near the top of the page. Click on the blue online housing application link on the right side of the page. Students will need to keep their M# available throughout the process.

Students will be asked to pay their \$150 housing deposit before they can continue with the application. Failure to complete the entire online application can keep a student from being assigned to a residential college. Questions about the process may be directed to the Housing Office at 270-809-2310.

A housing application may be denied or canceled prior to the beginning of the semester because of the student's past record as a resident.

New students are assigned to a room and a roommate according to the date of application and deposit. Assignments are made without regard to race, creed, religion or nationality. No guarantee can be made for college, floor, room or roommate requests.

In March, returning students will be asked to go back into the online housing application system to submit a new application for the next academic year. The student must complete the application to reserve a room. Failure to complete the application appropriately could result in the student losing priority on their desired room. In addition, if a resident fails to complete the online reservation form by the designated time, the resident will lose priority on their room and the room deposit may be forfeited.

The university reserves the right to deny or cancel at any time the housing contract of a student evidencing an inability to abide by applicable laws or rules while living in housing at Murray State University, or believed to be a potential threat or danger to the university community, including students, faculty or staff. The university reserves the right to deny or cancel at anytime the housing contract of any student who evidences the inability to successfully attend class regularly or maintain sufficient academic progress throughout the academic year. A student who is denied or otherwise excluded from residence in university housing may appeal in writing with any supporting documentation to the Associate Vice President of Student Affairs in 425 Wells Hall. Appeals must be received within five (5) working days from the date of the original decision denying or cancelling university housing.

The university reserves the right to make room assignments, authorize or deny room and roommate changes, and to require a resident to move from one room or building to another in an

attempt to achieve a more effective or efficient program. Residents left in a room without a roommate and are not paying for a private room may be asked to consolidate or move in with a person who is also in a room alone.

Private rooms can never be guaranteed. However, they may be made available if space permits. Normally, each resident is permitted to move only once, and only after the move is approved by the housing office. Requests for room changes within a college can be made by completing a room change request form and submitting that form online. Once the move is approved, the student must properly checkout or the request becomes null and void. A proper room change includes being checked out of the old room before moving into the new room. Room-to-room changes will be made only in exceptional cases after the residents have worked with the staff to resolve roommate conflicts or other difficulties.

College-to-college moves are not a part of the residential college model. In the event that a resident would like to apply for a college-to-college move, a resident must complete a college-to-college move form and submit it online. On the form the resident must include why there are specific circumstances to require a move. If a resident wishes to room with another individual, the other individual should also complete the form online. Students moving from one college to another college will be required to purchase a new Racer ID card with the correct college displayed to finalize the move when approved.

Please note that residents are not permitted to withdraw from university housing to move to an off-campus residence during the year unless the resident officially withdraws from the university, in which case the resident is required to move from the building within 24 hours. The resident may be eligible for a refund of the unused portion of the rent, following the current tuition refund table. A resident who completes the official withdrawal process will receive a refund based on the actual date the resident checked out of the residential college and the corresponding refund percentage in effect on the check-out date. A resident who becomes married during a semester and moves out of a residential college also may receive the unused portion of rent paid.

■ **Housing Disability Assignments**

A student with a documented disability or a parent or advocate on behalf of the student and with the student's permission may make a written request for reasonable housing accommodation(s) or a housing exemption. Said request should include appropriate documentation of the student's disability. The request for the housing accommodation or exemption form will be available online or in the Housing Office.

The request form shall be forwarded to the ADA Subcommittee of the Affirmative Action Committee, 423 Wells Hall, Murray State University, Murray, KY 42071, for a determination. The decision of the ADA Subcommittee of the Affirmative Action Committee will then be mailed

by the Office of Student Disability Services to the student. Please note that the resulting housing assignment, if any, will be made available on the student's MyGate account. It should be noted that requests for accommodations can be initiated at any time. However, it is recommended that requests for the semesters be received by May 31st, for spring semesters by December 15th and for summer terms, one month prior to the first day of class.

Requests for accommodations or a housing exemption made after the start of any semester or term shall be processed in like manner. A determination shall be made as soon as possible but no later than two (2) weeks following the date the request is received.

■ **Housing Disability Assignment Appeals Process** – A student (or the student's parent or advocate on behalf of the student) who is dissatisfied with the decision of the Subcom-

mittee as to the requested accommodation(s) or housing exemption (i.e. does not believe that the housing assignment or denial of exemption accommodates the student's disability or in some way endangers the student's safety or health) may file a written appeal to the Office of Institutional Diversity, Equity and Access, 103 Wells Hall, Murray State University, Murray, KY 42071, along with any supporting documentation. Said appeal shall be filed in the Office of Institutional Diversity, Equity and Access within ten (10) days from the date of receipt of the original decision by the Subcommittee as to the request for reasonable accommodation(s)/housing exemption. No one involved in the initial decision by the Subcommittee shall be involved in the determination on appeal which shall be made by the Office of Institutional Diversity, Equity and Access. Institutional Diversity, Equity and Access shall make a written determination within thirty (30) days

from the date it received the appeal. The decision of the Office of Institutional Diversity, Equity and Access shall be final.

College Courts

The university offers apartments in the College Courts apartment complex located on the north end of campus. There are 144 apartments available: 132 one-bedroom apartments and 12 two-bedroom apartments. These apartments are available for married students, single parents with children, graduate students, non-traditional students and undergraduate students who are at least 21 years of age by the first day of registration. These apartments are fully furnished and are offered at a reasonable price. College Courts residents are considered Murray State University housing residents and are therefore required to follow the Housing Regulations as outlined

DISCIPLINE IN THE RESIDENTIAL COLLEGES

Each resident of university housing, by signing the housing contract, agrees to abide by all laws and the housing and university rules as contained in the MSU Student Life Handbook.

Violation of any of these rules could result in disciplinary action and/or termination of the room and board contract. If the resident's housing contract is canceled for this reason, the room and board fee will not be refunded.

HOUSING REGULATIONS

The following misconduct will be subject to disciplinary action:

Alcoholic beverages and containers – MSU prohibits the use or possession of alcoholic beverages in residential colleges and college courts. Students are not permitted to possess for any reason containers of alcohol (kegs, bottles, cans or beer bong) empty or full, in the residential colleges or college courts.

Behavior in your room or apartment – The authorized occupant(s) of any room is (are) responsible for all behavior that takes place in that room. Certain inconsiderate behaviors include but are not limited to:

- Threatening language or behavior.
- Intentionally provoking conflict with residents or staff.
- Defacing university or personal property.
- Behavior that endangers the safety of others.
- Other inappropriate behaviors or actions as determined by the Housing Office to be disruptive to the community living environment.

Ceiling Decorations/Tapestries – Nothing may be hung from or on the ceilings in the residential college rooms. This includes fabric, posters, or Christmas lights.

Code of Conduct – The student agrees to abide by all laws and the housing and university rules as contained in the MSU Student Life Handbook.

Destruction of property – Destroying university property or the property of others is prohibited.

Drugs – The prohibitions contained in state and federal laws and in university policies regarding controlled substances apply to the residential colleges. Any violation of such laws or policies constitutes a violation of the student code of conduct.

Failure to comply with staff requests – Failure to comply with reasonable requests from housing staff, i.e., presenting ID cards, providing other infor-

mation, or refusing to keep noise down is grounds for disciplinary action.

Failure to evacuate a building for fire alarm – All residents must leave the building when the fire alarm sounds.

Firearms, weapons, explosives, and dangerous substances – A student may not possess, use, or sell on campus any weapon (including, but not limited to, knives and bows and arrows) or firearm or any incendiary, explosive or destructive device, including fireworks. Further, a student may not possess, use, or sell on campus any dangerous article or substance which could injure or discomfort another person. This includes air guns, simulated weapons/firearms and simulated explosives/devices.

Furniture – Personal items of furniture may be added to a resident's room as long as it does not become a safety hazard. University furniture may not be removed from the room or apartment.

Gambling – Gambling in any form is prohibited in the buildings.

Hanging objects – The university reserves the right to remove, or have removed, any foreign object, attached in any way to the inside or outside of any residential college room door or window, that is a potential safety and/or maintenance hazard or is deemed harmful/detrimental to the community environment in the residential college and college courts.

Hazing and harassment – Mental or physical hazing or harassment in any form is prohibited, including harassing language or behavior of any kind, particularly sexual and discriminatory harassment. Discriminatory harassment is defined as physical acts or threats or verbal slurs or referring to an individual's race, ethnicity, religion, sex, sexual orientation, creed, national origin, ancestry, age or handicap that are made with the purpose of injuring the person to whom the words or actions are directed and that are not made as part of a discussion or exchange of an idea, ideology, or philosophy. Practical jokes aimed at other students or their rooms and harassing or annoying e-mail and phone calls are also included under harassment.

Horseplay – Horseplay including, but not limited to, playing football or basketball, using athletic equipment, weights, frisbees, skateboards, skates, rollerblades, waterguns or golf equipment in hallways or other common areas including the exteriors of the residential buildings (within 50 feet) is prohibited.

Large group gatherings – Students participating in the formation or prolonging of large groups to disturb the peace, to do violence to any person or property, or to disrupt the performance of duties shall be subject to university disciplinary action.

Continued on p.27

in the Student Life Handbook. Exceptions to these regulations include guests and cooking equipment. For further information contact the Housing Office at 270.809.2310.

Security in the Residential Colleges

It is Murray State University's policy that the residential colleges are equipped with ID card access systems and closed circuit security camera systems. There are cameras and ID card readers on each entrance/exit of the residential college. All entrances may be locked 24 hours a day for the safety and security of the residents.

Each residential college front desk is staffed 24 hours a day by student night clerks, day clerks and resident advisors. The front desk staff is responsible for checking identification of individuals entering the building and responding to student requests. In addition, there is a staff member on-

call in the building 4:30 p.m. to 8 a.m. each day. These on-call staff members complete periodical rounds of the building to check outside entrances and safety equipment throughout the building, in addition to responding to other situations that may occur in the building.

Theft in the Residential College

Residents should immediately report in detail any item that has been stolen from their room to the resident advisor and the Murray State Police Department (2222). The university cannot purchase insurance to cover the theft or loss of personal property and cannot accept responsibility for missing articles. Residents should check their parents' homeowner's insurance policy to see if it covers personal belongings in the room.

Helpful Things To Know ...

Check-In – Residents must initially check-in to housing through the residential college they have been assigned. Check-in takes place at the front desk with the staff. The resident will be issued a key and asked to sign a housing contract. Signing in at the front desk, accepting a room key, or moving things into the room constitutes binding acceptance of the housing contract and obligates the resident for the full amount of the year's room rent. A \$3.50 charge is placed on each resident's account to help defray the cost of activities and services offered within their college.

Residents will be given a completed Room Condition Form which assesses the condition of the room at the time of check-in. Residents should review this form in their room and alert an RA if there is a discrepancy on the form. This form will also be used when residents check out of their

HOUSING REGULATIONS *continued from p.26*

Loud, indecent or obscene conduct – Any conduct that may be considered loud, indecent or obscene is forbidden in the residential community and college courts. This includes loud stereos and other noise issuing from windows.

Misuse, tampering with and/or abuse of university property – Misuse, tampering with and/or abuse of university property including, but not limited to, peepholes, elevators, fire alarms, smoke detectors, fire equipment, sprinklers, door security systems, furniture, security cameras, tapes, DVR's and other associated hardware is subject to university disciplinary action and may be subject to civil court action. University furniture is not to be moved into residents' rooms from public areas such as lounges or removed from the building or apartment.

Musical instruments – Loud musical instruments including, but not limited to, band or amplified instruments that may disturb other residents are not allowed.

Noise – This includes, but not limited to, loud stereos, televisions, and CD players. Students who fail to comply with requests to keep noise to a reasonable level may forfeit the privilege of having musical equipment in their rooms. Students residing on quiet floors/wings must abide by the hours established.

Pets – Fish in an enclosed aquarium are the only pets allowed in the residential colleges and college courts. All other pets will be removed immediately at the owner's expense to protect the health, safety, and comfort of other residents in the building.

Physical confrontations – Any physical confrontation including, but not limited to, fighting and assault that leads to harm or possible harm to others is not allowed.

Throwing objects from residential college and college courts windows – Throwing objects, materials, or liquids from residential college windows is prohibited. This could result in injury to a person below.

Rappelling and/or being on roof – The use of any residential college building for climbing and/or rappelling, climbing in or out of windows is prohibited. Students are not permitted on roofs.

Removing screens – Window screens must remain securely on the windows at all times.

Solicitation – To protect residents from a constant flow of salesmen and to protect your privacy, the university does not permit door-to-door solici-

tion including solicitation by students. This prohibition includes, but is not limited to, the solicitation of membership, ideas, products, and services. Also, advertisements may not be delivered to each door. Residents may invite salespeople into their room to talk with them whenever they wish as long as they comply with the visitation policy. Residents should contact the Murray State University Policy Department (2222) immediately upon being approached by a solicitor in the residential colleges.

Smoking – Tobacco use is prohibited on campus. This includes e-cigarettes.

Unauthorized taking of property – Unauthorized taking, use, possession, or moving of university property or the property of others is forbidden.

Use or possession of equipment – Rules for the use or possession of equipment are as follows:

- **Bicycles.** Storing bicycles in residents' rooms is not allowed unless disassembled and stored either under the bed or in a closet. Students may walk their bicycle to their room with both wheels attached but one wheel must be removed once in the room.
- **Bunkbeds.** Only university-built/purchased bunkbeds are permitted in residents' rooms. Only lofts provided by a Housing Office approved vendor are allowed for use in the residential colleges. Homemade loft units are not permitted in the residential colleges.
- **Candles and incense.** The use of candles and incense is prohibited in the buildings. Students may possess candles for decorative purposes only if the wicks have been cut out/down or if candles remain in the original cellophane wrap. This includes college courts.
- **Free weights** are prohibited in residents' rooms.
- **Halogen lamps** are not permitted in the residents' rooms.
- **Only one refrigerator** of 4.6 cubic feet or less is allowed in residents' rooms.
- **Only one microwave oven**, no larger than 700 watts, is allowed in residents' rooms.
- **Sunlamps, lava and lava-like lamps** are prohibited in residents' rooms.
- **Waterbeds** are not permitted in residents' rooms due to the risk of damage in the event of an accident and the excessive weight of the units.

Visitation – Residents and their guests must observe all visitation policies as outlined in the Visitation and Quiet Hours section.

room and charges for any damages made to the room during the resident's stay in the room will be assessed then.

Consolidation – Students who are paying for double occupancy but for some reason find themselves without a roommate are required to move in with another student or have another student move in with them. Each resident will be notified in writing what day consolidation will begin and of possible roommates available.

If a resident fails to consolidate on his/her own, a consolidation assignment will be made for them based on seniority. If space permits, each resident may have the option of selecting a private room at an additional cost. Once the resident receives the consolidation notice with their new assignment, they will have three days to complete the move unless otherwise notified. Students who fail to cooperate with Consolidation procedures may face disciplinary sanctions and a private room charge.

Housing Contract Cancellations – When a reservation has been made and a contract signed for an upcoming academic year, cancellations can be made before the specified deadline without penalty. However, cancellations after the deadlines will result in the forfeiture of the deposit. Students canceling before June 1st will receive a refund of their entire deposit. Students who cancel after June 1st will forfeit their entire deposit. For the spring semester, students who cancel after December 1st will forfeit their entire

SANCTIONS

Residents found violating housing codes may receive one or more of the following penalties:

Administrative Warning – A less formal, intermediate step that recognizes resident misconduct. Its intent is to declare that the behavior in this incident was inappropriate within the residential community. It is to be issued for minor violations only.

Disciplinary Warning – Written notification that the resident's actions are unacceptable and that a continuation or repetition of such action will result in more severe disciplinary action. This can be used in conjunction with other sanctions.

Disciplinary Probation – A resident on disciplinary probation is deemed not to be in good standing with the Housing Office, and conditions may be imposed at the time the resident is placed on disciplinary probation. If the resident is found in violation of the housing regulations prior to the completion of the probation period, the resident may be subject to termination of the resident housing contract or other sanctions. The duration of the probation period and conditions imposed will be in direct proportion to the degree of seriousness attached to the misconduct. This probation period is not to exceed a year.

Transfer to another building or termination of university housing contract – This sanction requires that the resident move from the building to reduce any chance of additional problems. The move may be either to another building or off campus. The effect the decision of transfer may have on the other building will be considered. Usually a period of probation will accompany any such required move.

Restitution for Damages – In addition to the penalties described previously, a resident may be required to pay compensation for damage to university property; provided, however, that such compensations shall be limited to the actual cost of repair or replacement of such property. Failure to comply with this sanction by a specified date will result in the charge being added to the resident's university bill.

Community Service – This refers to a specified number of hours that a resident works for a department on campus or community. Under direct supervision, the resident performs the community service hours without compensation.

Creative Educational Sanctions – May include, but are not limited to:

- Referral to Counseling and Testing Center.
- Attend a college program.
- Attend a campus program.
- Go on duty rounds with housing staff.
- Critique magazine or newspaper articles.

Restriction of Privileges – Certain privileges or practices of the resident(s) involved in the infraction may be limited or prohibited. Examples include, but are not limited to, visitation privileges, being banned from a residential college(s), holding office in RCA or RCC, participating on the judicial board, and attaining or keeping a resident advisor position. Beginning and ending effective dates for this sanction will be indicated.

More serious or repeated violations will be referred to the Assistant Director of Residential Services or the Office of Student Affairs. All decisions shall be based upon the preponderance of the evidence in the case as a whole. A determination of guilt and the imposition of sanctions will be made by the hearing officer. A copy of the decision of the hearing officer shall be sent to the resident; the decision letter shall contain information regarding the student's right to appeal.

OTHER POLICIES

Cooking in the Building – Cooking is only allowed in the designated areas of the residential college such as in kitchenettes. Certain cooking utensils may be available for check-out at the college desk. Microwave ovens are available for students in the buildings; check at the desk for location and instructions for use.

Rights of Privacy/Room Inspection, Entry and Search – The housing staff respects residents' right to privacy but must sometimes enter a room, as outlined here and in the housing contract. The university reserves the right to have duly authorized personnel enter a residential college room under reasonable and restrained conditions for purposes such as to provide maintenance; to ensure the personal health, safety, and security of college residents; or to enforce the rules when there is reasonable cause to believe that rules are being violated.

As part of the normal closing process, members of the housing staff will enter each room in order to ensure its safety and security. The housing staff will check to see if lights or appliances are on or if windows are open. The staff also will check all doors to ensure they are locked.

Friends and relatives are not allowed to enter a resident's room without being personally escorted by that resident, or having written permission to do so.

Room Decorating – Each room comes equipped with basic room furnishings such as beds, desks, closets and lamps, but residents are encouraged to bring some of the things needed to make your room a home. **Residents are not allowed to paint the rooms.** Residents who paint their room will be assessed the cost of returning the room to an acceptable color. The charge will be based on the cost of supplies and the cost of labor to repaint the room. Damage charges may be assessed for damages to the room or furniture contained within their room.

Window and Exterior Door Decorations – Residents should give consideration to the uniqueness of the university and the diverse population it serves, if the resident chooses to decorate the windows or doors of the room. Designs for exterior room doors and windows will have to meet the approval of the director of housing and residence life. Proposed designs should be discussed with and approved in writing by the residence director prior to being put on the door or window. The Housing Office will contact students regarding inappropriate objects or decorations in the windows or on doors facing hallways or public areas.

deposit. During the contractual period a student may be released from the contract for the following reasons only: (1) official withdrawal from the university, (2) graduation, (3) student teaching, (4) dismissal from the residential college or university or (5) marriage. If the resident vacates during the contracted period, he/she is liable for the full payment of the contract.

The resident may TERMINATE this contract at the end of the fall semester of the academic year only if he/she is student teaching, completing an internship or exchange, graduating, withdrawing, academically ineligible, transferring schools, leaving for military duty, getting married, or is a freshman or sophomore student who decides to commute from the permanent, legal residence of his or her parents (within 50 miles).

The resident who has accumulated at least 60 earned hours of academic credit (junior status) may LIQUIDATE this contract at the end of the fall semester for the spring by agreeing to pay 25 percent of the current room rate or by receiving a refund of 75 percent of the prepaid rent for the spring semester. THIS OPTION IS NOT AVAILABLE AFTER THE RESIDENT SIGNS FOR OR MOVES INTO THE ROOM FOR THE SPRING SEMESTER. THE LIQUIDATION OPTION IS ONLY AVAILABLE FOR THE SPRING SEMESTER.

Check-Out – Residents must check out of the building within 24 hours after the resident's last final examination, or within 24 hours after withdrawal from school. Graduating seniors may make arrangements with their resident advisor to check out of the building the day of commencement. Residents should always make courtesy arrangements with their resident advisor for a convenient date and time for check-out.

To check out of a room properly, the following steps should be taken:

1. Remove all personal property. Unless special arrangements are made with the residence director prior to check-out, any remaining personal property will be removed by university personnel and disposed of appropriately.
2. Remove all trash and dispose of it in designated trash facilities.
3. Clean and sweep the room.
4. Clean the adjoining bathroom (when applicable).
5. Have a staff member inspect the resident's room for cleanliness and damages. The room condition form completed during check-in should be reviewed and signed by the resident and staff member.
6. Return the proper room key. Should the resident fail to return a room key, a \$75 charge will be made for a lock change.
7. Leave a forwarding address with the staff member completing the check-out process. Please allow four to six weeks after check-out to receive the room deposit.

Failure to check out of the room properly with staff personnel could result in the forfeiture of the housing deposit and other charges.

Room Deposit – The \$150 deposit submitted to the housing office with the housing application shall be held by the university as long as the resident resides on campus. Once the resident has moved permanently from the building, the room deposit shall be refunded within four to six weeks provided the resident has complied with the terms of the contract. Any unpaid costs for damages to the room, items missing from the room, or outstanding debts to the university will be deducted from the deposit prior to any monies being refunded.

Room and Building Damages – The resident accepts responsibility and is held liable for the condition of the room after check-in. The resident accepts full responsibility for the conduct of his/her guests. The resident agrees to pay the charges for any damages as determined by the university. All residents of a building will be charged as a group for damages resulting from vandalism in public areas of their building.

Visitation – Visitation allows residents an opportunity to have male and female guests visit in their residential college and rooms. Guests that are under 18 years of age must seek written approval from the residence director at least 1 week prior to the expected date of visiting. Each residence director has forms for their building. Each resident is permitted to sign in and have two guests at one time in the room (exception: family members). Each guest must be signed in at the front desk. Visitors, as well as the resident signing in the visitor, are required to surrender a state/governmental issued photo identification. Residents must escort the guest in the building at all times including when checking the visitor out at the end of the visit. Guests must be signed out when leaving the building at any time. Guests are not permitted to go further than the front lobby when they are not checked in. Residents must always escort guests to gender appropriate restrooms in the building. All minors (those under the age of 18) must exit the building between the hours of 9 p.m.-9 a.m., unless permission has been granted prior to the visit. (see overnight policy below) Students who infringe on the rights of the roommate/suitmates and/or disrupt the community environment as the result of overnight visitors will receive strict disciplinary action including, but not limited to, suspension of visitation privileges. Exceptions to visitation policies can be made on a case by case basis by the residence director or the housing professional staff.

Overnight Guests/Cohabitation – Overnight guests are not allowed from Sunday 9 p.m. through Friday 9 a.m. Overnight guests during the week is further defined as anyone who stays more than 6 hours between the hours of 9 p.m.-9 a.m. during the days of Sunday-Friday morning (**6 hours total, does not mean 6 consecutive hours**). Overnight guests are allowed from Friday 9 a.m.-Sunday 9 p.m. All guests must register at the front desk and complete the guest/sign-in registration form. All regular visitation policies

must be followed (**exceptions include long weekends, must contact residence director**). Residents wishing to have overnight guests under 18 years of age, must obtain written approval from the residence director and the consent of the guest's guardian at least one week prior to the expected visitation date.

Noise and Quiet Hours – In an effort to create a positive educational study environment, any noise or conduct that is considered loud, indecent or obscene is forbidden in the residential community. Residents who fail to comply with requests to keep noise to reasonable levels may forfeit the privilege of having musical equipment or other noise producing equipment in their rooms.

Quiet hours are established between midnight and 9 a.m. daily. Extended quiet hours may exist on some floors/wings that are established as quiet floors. Residents residing on a quiet floor/wing are expected to abide by the hours established by the members of the quiet floor/wing community.

Residents living in other areas of the building may set quiet hours for their specific floor or wing by collective decision. The college council may vote to set certain quiet hours for all residents in the building. Residents have a voice as quiet hours are decided; once the hours are set, residents are expected to honor the hours and be considerate of their fellow residents.

Any violations of these policies will be documented by housing staff members and appropriate disciplinary sanctions will be issued.

Special Living Areas – Each residential college has designated floors or wings that have extended quiet hours. Residents may request a room in these areas by specifying their preference on the housing application or room reservation form.

Cleanliness Counts . . .

Room Cleanliness – Residents are responsible for the cleanliness of the rooms. Residents should keep the rooms neat and orderly. The cleanliness of the connecting bathrooms is the responsibility of the suitemates. If a residential college student consistently fails to maintain an appropriate standard of cleanliness, as assessed by the Residence Director and/or other housing officials, the student may face disciplinary sanctioning which may include the cancellation of their housing contract if their compliance to keeping the room clean is not met satisfactorily. Definitions of unclean include but are not limited to trash, food, or food containers throughout the room, unsanitary living conditions, excessive clutter, or smell. Vacuums, brooms and dustpans may be obtained from the front desk.

Pest control in each room is directly related to the cleanliness of each room. Assistance with pest control may be requested at the front desk of the residential college.

Food Storage in Rooms – To assist control of pests and safeguard the health of the residents,

all food must be kept in closed containers. Refrigerators must be kept in open view for necessary ventilation and may not be connected with an extension cord.

Room Maintenance Requests

All maintenance requests should be reported at the front desk of the college. The resident should be explicit about the details of the location and description of the repairs requested. The Facilities Management department and student handymen employed by the Housing office perform repairs in the residential colleges.

Floor and College Meeting

Students should attend all floor and college meetings. Important information, future plans and the latest news are shared with residents by staff members. The sessions are kept informal to discuss problems and suggest improvements. Participation in college and floor meetings allows residents direct input in college governance. The first floor meeting of each semester is very important, therefore it is mandatory that all residents attend, and record of their attendance will be taken.

Mailbox Assignments

Mailbox assignments will be made at the front desk when students check in to their residential college. Residents may pick up their mail on the main level of their college where the mailboxes are located.

Some packages (any item too large to fit in the mailbox) are delivered to the front desk of each building, while others are kept at the post office located on the second floor of the Curris Center. Packages that are delivered to the front desk will be listed on a package board located in each building's front lobby. Residents will be notified of packages delivered to the Curris Center by an email from jsmith1@murraystate.edu.

Residents are encouraged to check their mailboxes frequently. The resident needs to contact the housing office immediately if he/she has a problem with mail.

Use of Student Mailboxes

- Persons, groups, or organizations not connected with the university must use the U.S. mail to distribute materials to individuals.
- Individually addressed items may be distributed through the residential college post offices from one resident to another.
- Residential college post offices will distribute:
 1. mail sent through the U.S. mail.
 2. mail sent through the campus mail service.
- Residential college post offices will distribute individually addressed mail (which includes name and box number) from university organizations or groups if the following conditions are met:
 1. The group or organization must be registered

through the Student Organizations office or a university department.

2. Each piece of mail must be identified with the name of the organization or department and the return address and number.

How to Use the Telephone in Your Room

For on-campus calls (prefix 809) dial ONLY the last four digits of the telephone number. For local off-campus calls dial 8, then dial all 10 digits of the telephone number. Long distance calls may not be billed to your room telephone number. Long distance calls may be made collect (dial 8, then 0 for the long distance operator), or the resident may apply for long distance service (Sprint, MCI, etc.); follow instructions of the vendor.

For repair of the telephone jack or line only, call the campus telephone office at 4400. Charges may be assessed for a service call unless the problem is with the telephone line or jack.

Cable Television

Each room in the residential colleges is equipped with a cable outlet for each student to use. Basic and expanded cable television packages are provided for each residential college student. Students may contact the contracted cable television provider to purchase additional service packages at the student's expense.

RESNET

RESNET is the computer network exclusively for Murray State University housing and residence life students. There are two data ports in each room that allow both residents to access the Internet and their university e-mail account. For students to successfully use the RESNET system, they must have a network interface card installed on their personal computer. The campus technology fee covers the cost of this service. For more information, refer to the following website <http://www.murraystate.edu/informationssystemshelpdesk.aspx> or call the CTLT Helpdesk at 270.809.2346.

Parking on Campus

If you wish to bring a car to the campus, you must register your vehicle and purchase a parking permit. **(See p. 9 of this publication for more specifics on parking.)** Students should acquaint themselves with all campus parking policies by reading the parking regulations on the Parking Management webpage at www.murraystate.edu/publicsafety.

Freshmen residing in the north housing complex are required to purchase a parking permit and are also required to park at the football stadium parking lot (large lot only). Freshmen may bring vehicles up to the residential colleges after noon on Fridays, but cars must be back in the stadium parking lot by 6 p.m. Sunday evening.

Violation of some parking codes may result in the total loss of parking privileges on the Mur-

ray State University campus. The theft of parking permits will result in the loss of parking privileges and extensive fines.

Motorcycles, motor scooters, mopeds – Motorcycles, motorscooters and mopeds must be registered with the Murray State Parking Department. Motorcycles, motor scooters, motorbikes and mopeds must be parked only in areas designated for motorcycle parking or on traffic islands in the housing complex. Motorcycles, motor scooters, motorbikes and mopeds may not be parked on the residential college lawns, in interior stairwells, or stored in any building.

Handicap Permit – Contact the Murray State Parking Department.

Safety and Security . . .

False Fire Alarms – Because of the dangers and risks to residents and fire fighters associated with false fire alarms and intentional fires, the penalties for intentionally setting any fire or intentionally causing any false fire alarm, for vandalizing or tampering with any fire alarm or fire protection equipment (including sprinklers), and/or for violating requirements limiting use of electrical equipment are severe.

Do not hang anything from the sprinkler head or the sprinkler pipes. Probable sanctions are removal from the residential college, suspension from the university, and/or criminal prosecution.

Health and Safety Inspections – All rooms will be inspected prior to the end of each semester in order to ensure compliance with health and safety standards. Whenever possible, advance notice will be given to residents regarding when the inspections will occur. Particular attention will be given to trash in rooms, locks on windows and plugged-in electrical appliances.

Smoke Detector Checks – These detectors are checked periodically each semester to ensure they are working correctly. If a smoke detector has been found to be tampered with (disconnected or covered by an object) during these checks, the student will be subject to university disciplinary sanctions and/or civil penalties since this is a violation of state laws.

Open Flame Burning – Open flame burning of any kind is prohibited (e.g., candles, incense burners).

Disposal of Sharp Objects – Due to potential injury of employees handling trash bags, students are urged to place objects such as razor blades, broken glass, and needles (hypodermic, sewing, etc.) in protective enclosures prior to discarding in trash bags.

Screens – Screens must be left on windows. For safety precautions, ledges are not to be used for storage. Residents will be held liable for damages to property or personal injury resulting from items being thrown from windows or falling from

ledges. Sanctions may result depending on the actions of the individual(s) and/or the outcome of these actions.

Room Keys – Should a resident lose a key, \$75 will be charged to the resident for a lock change. This is done automatically to provide security for the room. Keys belonging to the university may not be duplicated. Possession and/or use of keys other than those officially issued and modification of university locks are in violation of residential college regulations.

The security of a resident's room, personal property and the property of roommates is dependent upon responsible care of keys and conscientiously locking the door each time the room is left unattended. If a resident loses a key, the roommate and neighbors should be notified in case someone should find the key and attempt to enter the room. The resident should be aware of the location of the room key at all times to ensure the security of the room. If a resident is locked out of the room, a key can be checked out at the residential college desk. Keys can only be checked out for a 24-hour period. After four key check-outs, the resident must meet with the residence director.

Walking on Campus at Night – Residents should act responsibly when walking on campus at night. Acting responsibly means staying in well-lighted areas, not walking alone, and using the escort service provided by the Murray State Police Department. This escort service is available seven days a week. Call 2222 for an escort. It is always wise to take safety seriously.

Lost-and-Found Procedures

Any items found on campus should be returned in to the Murray State Police Department, which maintains the official lost-and-found department for the university. If an item is lost on campus, go to the Murray State Police Department at once and file a missing property form. If theft is suspected, the missing items should also be reported to the City of Murray Police Department.

Lost or Stolen ID Card

- Report loss to circulation desk, Waterfield Library, at once.
- Report loss to officials of the Carr Health Building, at once.
- If the student purchased a meal ticket, report loss to staff at the Dining Services office, first floor, Curris Center.
- The student should go to the RacerCard office, first floor, Curris Center, to secure a duplicate identification card.

Lost or stolen personal property

- Report model, make, and serial number, if applicable.
- Report detailed description: size, color, brand, etc.

Lost or stolen books

- Report loss immediately to the University Store. Book thieves are frequently caught.

Lost or stolen residential college room key

- Report loss immediately to the college desk. Lock changes are required at a charge of \$75.

The chances of recovering missing property are greatly improved if identification numbers are placed on all possessions. The Murray State Police Department will lend students an engraver free of charge to engrave identification numbers on stereos, radios, televisions and other personal property.

Other Important Information

Most residential colleges are not open during vacation periods, and room rent does not include housing during these periods. Students who need housing during the break can sign up for Break Housing. Three halls (Lee Clark, Regents and White) remain open during the breaks when the university is closed. Students who reside in these halls can sign up to stay over the breaks, but there is an additional daily charge for break housing. Students who do not live in these three halls can also request break housing, but there is limited space and housing is not guaranteed. If a student who does not live in the three break halls requests break housing and does not use the break housing, that student will be charged for the nights reserved for them.

If temporary housing is needed during bad weather contact the Housing Office. A few guest rooms in the residential college may be available for students to rent for a nominal fee.

Accommodations for students with disabilities are available in the residential colleges. For assistance with any questions or special needs, contact the Housing Office, Murray State University at 270.809.2310 or by e-mail at housing@murraystate.edu

EMERGENCY PROCEDURES

■ Fire Emergency Instructions

In case of a fire:

- Sound the fire alarm.
- Call the Fire Department (911)
- Call the hall desk or staff member on duty in hall.
- Remain calm and act quickly.
- Wear protective clothing such as a coat and shoes, and carry a damp towel for use in heavy smoke.
- Close the room door and windows.
- Walk in an orderly manner to the nearest exit. NEVER USE AN ELEVATOR.
- Move a safe distance away from the building and out of the way of fire department personnel.
- Remain outside until told by the hall staff to return.

If you think there is a fire in the hallway, you should feel the door before opening it.

- If the door does not feel hot, open it slightly, holding your head away and bracing the door with your foot.
- Put your hand across the opening to test the heat of the air.
- If the door is hot and the hallway unsafe, stop up any opening or cracks through which smoke may enter, using wet towels, sheets, blankets, etc.
- If smoke does enter the room, open the window for ventilation; break it if it is sealed.
- Do not jump; make your presence known and wait for rescue.

In case of a minor fire:

- Pull the fire alarm.
- Use a wastebasket full of water, a fire extinguisher, or a blanket to smother out the fire. (Fire hoses are to be used by Fire Department personnel only.)
- Do not use water on an electrical or grease fire!
- Call the staff member on duty in your hall.
- Never risk your personal safety!

Remember: Be cautious of potential fire hazards!!! DO NOT burn candles in your room. ALWAYS keep the fire doors closed. DO NOT cook, or let anyone else cook, in the room. Your life is in jeopardy when someone violates fire safety rules in your hall. ALWAYS unplug your iron. DO NOT MISUSE fire equipment; you may seriously need it sometime. NEVER activate a false alarm or tamper with a smoke detector. This is a violation of state law and will be dealt with as such. ALWAYS vacate the building immediately anytime the fire alarm sounds.

Smoke detectors have been installed in every room for the safety of the residents. These devices are checked three times each semester by housing maintenance staff to ensure they are working correctly. If a smoke detector has been found to be tampered with (disconnected or covered by an object) during one of these checks, the student will be subject to university disciplinary sanctions and/or civil penalties since this is a violation of state laws.

■ Earthquake Emergency Procedures

The chance of an earthquake exists in our area because of the New Madrid fault which runs through this region of the country. Should there be an earthquake and you are indoors, stay there. Get under a desk or table or stand in a doorway or corner. Stay in the building on the same floor; do not use the elevator. If you are outside, get into the open away from buildings, trees, walls and power lines. Avoid open flames.

■ Tornado Emergency Procedures

Should a tornado be spotted in the area, warning sirens will go off (a wavering tone). If this happens, the instructions below should be followed:

1. Move quickly to a low floor of the building in an interior corridor away from windows.
2. Do not use the elevator.
3. Remain there until you receive an “all clear” message from the staff.
4. Do not pull the fire alarm.

> Adults Belong In College

Welcome to Murray State University! You are a part of the growing national trend of adults returning to college. You are probably excited as well as apprehensive about making good grades and fitting in at college. More than likely you will do well in the classroom because you have realized the importance of a good education. You have the motivation and determination to succeed in college, and you will make the sacrifices necessary to earn your degree.

Generally speaking, professors enjoy having adult students in class because of your high level of motivation, your interest in the subject, and your willingness to question and discuss. You are good consumers of education. One faculty member reported the following: "When I announce that my class will be canceled, the 18-year-olds say, 'Good,' and the adults say, 'When are we going to make it up!'"

For further encouragement read the following descriptions of adults who have returned to school.

How does it really feel to go back to school at age 25, or 35, or 45? For Barbara Artson, now a practicing psychotherapist in San Francisco, enrolling at San Francisco State College at age 33 was a turning point. "It was in college that I discovered for the first time in my life that I was actually bright. I never knew that before," she said in a local newspaper interview. "I remember my first day on campus. I was crying. I couldn't believe that after all of those years I was finally, officially, in college."

Sharon Nord, who enrolled at Triton Junior College in River Grove, Ill., after 15 years at home, talked about the early adjustments in *The Second Flighter*, a campus newsletter directed to adult students: "The first six weeks I was overwhelmed and seriously questioning my choice. It was so hard to study and to adjust. I studied in the kitchen and found that I would keep getting distracted. Every time I looked up and saw a household chore that needed to be done, I would have to get up and do it. I lost a lot of sleep trying to do everything and found myself studying through the late hours of the night, wondering if it would ever ease up. But I learned about better study skills and habits, discipline, readjusting my priorities, and in about the sixth week I could feel a change. Now I look back at that tough transitional time and see my progress and feel so proud of myself. This experience has been great for my self-image. I am learning so much and applying it to my life, taking more risks and not fearing rejection, increasing my self-confidence, communicating better with all kinds of people, and understanding people much better."

Integrated Studies

Integrated Studies is an external degree designed for the adult who wants to continue learning, wants the satisfaction of a college degree, and is willing to assume responsibility for learning but cannot pursue a traditional degree because of time, travel, work, or family responsibilities. Murray State University now offers this external degree program which is a first, not only in Kentucky but also in this general region. If you have at least 60 hours of previously earned college credit, you are eligible to apply to this program. In addition, the flexible curriculum may allow you to complete your degree while working and taking care of numerous responsibilities simultaneously.

Through this program you may transfer credit hours already earned. If you have served in the military, you may receive credit for that experience. You may design your own program of study to suit your needs, interest and busy schedule. It is possible to earn credit for life experience via portfolio credit, CLEP testing or departmental challenge exams. You proceed at your own pace and at your convenience, since it only takes six hours of earned credit per academic year to remain active in the program. Credit is earned through various methods. Learning may be done independently through learning contracts and portfolios, and away from traditional on-campus classrooms through online courses, regional campus courses, correspondence courses, KET courses and interactive television courses.

For more information on the Integrated Studies program, please visit www.murraystate.edu/integratedstudies or call 1-800-669-7654 to speak to an advisor.

Distance Learning

Because you are busy adults, you may find it convenient to take a distance education course. Go to www.murraystate.edu/distancelearning for options such as interactive TV, telecourses, online courses and classes offered at our extended campus sites.

Scholarships

Adult students may qualify for non-traditional scholarships. Contact the University Scholarship Office at murraystate.edu/fas for more information. Apply online for the Adults Belong in College and other non-traditional student scholarships. The deadline is June 1st.

Purchasing Books

The cost of textbooks and other educational materials is not included in your tuition. Books may be purchased at the University Store on the second floor of the Curris Center, from other students, at privately owned bookstores in Murray, or online.

A word of warning: If you buy a book from some source other than the University Store, be certain it is the required text edition.

It's difficult to estimate the cost of books because the number and type of texts used vary from course to course. The price will also vary depending on whether you buy new or used books.

Always keep your textbook receipts and understand the return policy. If you drop a class early in the semester, you need to know what your return options are.

Military Service Credit

Credit will be awarded for military service based on the following:

- Credits recommended by American Council on Education on a Joint Services Transcript.
- Credits recommended by American Council on Education based on military coursework appearing on a DD214 or 295.
- Credits earned at Community College of the Air Force.

Housing During Bad Weather

If you need a place to stay during bad weather, contact the housing office or the Curris Center to see if there are vacant rooms, which you might rent for a nominal fee.

Alpha Gamma Epsilon

Alpha Gamma Epsilon is an organization that was formed to help serve the needs of adult students at Murray State. Anyone who is a nontraditional student (someone who has had a break in his/her formal education) is welcome. The purpose of the club is to offer a support system for the older students and to plan social events for non-traditional students and their families.

The club also tries to gain publicity and support for adult students so they are recognized as an integral part of the campus community.

Special Services for Adult Students

If you have been out of school for a while, returning to or enrolling in college can be a frightening experience. The Adults Belong in College contact is located on the 1st floor of the Curris Center and provides the following services to adults entering or considering college:

- Information about how to be admitted.
- Orientation for Adult Students
- Honor society and scholarships.

To contact the ABC office, call 270-809-5796 or 855-668-8886.

Tips from Adult Students

We asked our successful adult students to give you advice, and these are their suggestions:

- Don't overload yourself. Take it slow and work your way up.
- Just do the necessary things and forget about (as much as possible) the trivial things.
- The reading and study skills class (ESS 120) is a good course to help you get in the swing of college studying. If you have been out of school a long time, think about it. It has really helped me tremendously.
- Don't isolate yourself from the other adult students. You will need their support and advice. Also, depend on your family members for help. A college student needs many support systems to succeed!
- Be realistic about your abilities when you first come back. Don't sign up for upper-level classes just because you were a good student 10 or 20 years ago. The only way I can really explain it is to compare it to an athlete. If you were a star athlete years ago in high school, it doesn't mean that you can perform at the same level now without extensive training.
- The Community College, located in the Lowry Center, offers many services that can help you. At the Community College, you will get suggestions on studying for tests, improving your note-taking, and reading your textbooks. You can also get tutoring in several basic topics.
- Take advantage of the many free and helpful services that are available on campus such as Health Services and the Counseling Center where you can get personal or career counseling.
- Try to stay ahead in all your classes. Then if you have a family emergency or get sick, you won't get so far behind.

14 Ways to Cope with it All

You may find a situation is getting the better of you. Here are 14 ways to help you cope.

1. **Talk to Someone** – Don't bottle up your problems. Go to someone you trust and get it off your chest. Sometimes just verbalizing the problem can help you to see it in a different light. If things get bad enough, visit your counseling center and set up an appointment with a counselor.
2. **Make Your Escape** – Taking a break from a difficult situation can do wonders for your frame of mind. Your escape doesn't have to be as elaborate as a vacation; a shopping trip, movie or walk in the park can do the trick.
3. **Let It Out** – Release your frustration in a productive way; a hard game of racquetball, for example, will ease your tension.
4. **Forget About It** – Sometimes you've just got to say "This isn't important enough to give me time to," and move on from whatever's got you down.
5. **Do Something Nice** – If you find you're thinking about your own worries too much, focus on someone else who's dealing with a tough situation. You'll get a good feeling from doing something nice for the person, and you'll forget about your own troubles.
6. **Do One Thing at a Time** – If your work load seems overwhelming, don't get discouraged. Take the most important task that's haunting you and start in on it. Accomplishing even one of your 'to dos' can make you feel like you're back in control.
7. **Give Yourself a Break** – Some people create stress by setting standards that are too high to reach. Don't try to be perfect—sometimes you have to be satisfied with 'good enough.'
8. **Be Resilient** – It's easier to deal with life if you can adapt to any situation. For example, if you can be hardworking and dedicated at exam times, yet be able to leave it all behind when exams are over, you'll be better able to handle whatever you face.
9. **Be Tough** – You have to be able to look after yourself. People may hurt you or gossip about you, but it's important to keep their actions from affecting you. Before you react, though, be certain you are interpreting others' behavior correctly. What you may perceive as a hurtful act may not have been intended as such. Stress can make you blow things out of proportion.
10. **Keep Laughing** – A good way to keep a positive outlook is to hold on to your sense of humor. Don't take things too seriously, and you'll be better able to keep things in perspective.
11. **Be Open-Minded** – It's easy to be critical of a situation or professor, especially if those around you are doing so. Don't let others be a negative influence on you. Keep an open mind, come to your own conclusions, and you'll enjoy things more fully.
12. **Meet New People** – One of the best therapies for depression is to go out and meet new people or participate in a new activity. You may find that despite your difficulties there's still a lot out there to enjoy.
13. **Don't Sweat the Small Stuff** – A renowned cardiologist's philosophy for dealing with stress: (1) Don't sweat the small stuff. (2) It's all small stuff.
14. **Use the Five-Year Rule** – Ask yourself: "Five years from now, how important will this problem be?" Nine times out of ten, the answer is "Not very important." The five-year rule can keep you from blowing the situation out of proportion.

> Division of Student Affairs

The Division of Student Affairs' primary concern is the student. This concern encompasses retention, welfare, and growth and development in all dimensions of student life including educational, vocational, social-cultural, civility and tolerance, psychological, values, clarification, and physical. The division provides a variety of educational and administrative services, programs, and activities in support of the Strategic Plan of the university. It is committed to excellence in, and the integration of, classroom and non-classroom activities to ensure a supportive living-learning environment for the whole student.

The guiding concepts for the division are those of human growth and development; personal discipline; an open, supportive environment; and the provision of programs, activities and services for personal growth.

A complete Division of Student Affairs directory is listed below.
