ADMISSION REQUIREMENTS

During the second semester of the sophomore year students must contact their advisor to initiate admission to one of the AACSB accredited business programs. Students seeking admission to upper-division courses who have not completed all of the required pre-admission course work will be allowed to pre-register for upper-division courses if they satisfy the minimum grade point average requirements at the time of application and if they are concurrently enrolled in the courses necessary to complete the pre-admission requirements. Failure to meet all requirements for admission will result in denial of admission to the college; students denied admission will not be admitted to upper-division classes. Students may appeal to an appeals committee.
