<p>During the second semester of the sophomore year students must contact their advisor to initiate admission to one of the AACSB accredited business programs. Students seeking admission to upper-division courses who have not completed all of the required pre-admission course work will be allowed to pre-register for upper-division courses if they satisfy the minimum grade point average requirements at the time of application and if they are concurrently enrolled in the courses necessary to complete the pre-admission requirements. Failure to meet all requirements for admission will result in denial of admission to the college; students denied admission will not be admitted to upper-division classes.
