

## Wayne Corporation Work-Life Website

Wayne Corporation is the administrator of Murray State University's Employee Assistance Program (EAP). Their website has been redesigned to provide valuable personal-growth information through articles, videos, webinars and self-assessments.

Wayne Corp introduced a new Work-Life Portal for all EAP members. In order to access the Work-Life portal, all members both new and existing must re-register with the site.

Instructions for registering with the new Wayne Corporation Work-Life Portal:

- Access the Wayne Corporation Portal, <https://www.waynecorp.com/>
- In the upper right corner, select "Login/ Register"
- You will be redirected to the page "Sign in to your account"
- Select at the bottom, "New User? Register"
- **Note: Both new and existing members must reregister with the new site.**
- Enter the "Company Name": **Murray State University** and create your own *User Name* and *Password*. *Note: Wayne Corp does not utilize Murray State's single sign-on (SSO).*

Once logged in you will be taken to the Home page. You will scroll down to locate the following resources that are available:
