Courses will be offered using blended delivery (on campus, hybridization and online).

Students are required to complete a capstone research project (CRP) or a case-study analysis as the exit requirement for the program.

Be a part of a program that is designed for:

- > Visionary leaders who are drawn to progressive practices within the fields of higher education and student affairs
- > Innovative-thinkers who want to positively impact community colleges and universities
- > Service-oriented practitioners who are focused on emerging trends in postsecondary education

**Those interested may obtain a program application
by visiting murraystate.edu/pse or by calling 270-809-2793.**
