- Career Services would like to offer \$500 to the Residential College that has the most number of attendees to BOTH the All Majors All Skills Career Fair on Oct 16 AND the STEM/OSH Career Fair on Oct 17.** Both of these events will take place in the Curris Center Ballrooms from 2-5 on their respective days.
  - **Can a student attend both days?** YES – They can. If Johnny Gotrocks attends on Tuesday and then on Wednesday, that would count as 2 ‘check-ins’ for Johnny’s college.

- **What if they come through multiple times on one day?** Students will only be counted once per day. They can't come through 5 times during an event and get 5 'check-ins'.
  - **What do students need to attend?** The main thing we ask is nice clothing. We STRONGLY recommend business professional, but a minimum would be khakis/dress pants and a collared shirt and neck tie. Of course, clothing should be appropriate for meeting employers in. We also recommend having a resume and checking out the [company list](#).
  - **What if students need professional clothing?** Great – Have them visit the Career Closet, located in 100 Oakley (Career Services) from 8am-4pm M-F.
  - **What should freshmen or Sophomores do at Career Fairs?** They aren't ready to look for a job? No problem! Students should plan on going around, introducing themselves to employers, asking them questions about their industry, opportunities, and if they have advice for up and coming students in xyz field.
  - **What else will happen at the Career Fairs?** We'll be offering FREE professional headshots, answering any questions students may have, and we'll even role-play with students who might be nervous before heading into the room.
- e. Agribusiness is hosting fall activities at The Pullen Farm for \$5 a person! Come out to the corn maze, fall themed games, and photo opportunities. There is also pumpkin painting for an extra \$3 per pumpkin. If you want anymore info about this, come see Marie Young!
