

Resolution 79-16-R1: Resolution to Support the Excused Absence of Students Attending the
“March for Higher Education” on February 25th, 2016

PURPOSE: For the Student Senate of the Student Government Association of Murray State University to support faculty excusing the absence of students attending the student led “March for Higher Education.”

WHEREAS: It is very important for our students to take part in the democratic process of voicing one’s opinion to our government, and

WHEREAS: This opportunity provides an experience that a classroom can’t replicate in civic engagement, and

WHEREAS: The passage of the proposed budget would severely impair Murray State University’s ability to provide a quality, affordable education for our fellow students.

THEREFORE: Be it resolved that the Student Senate of the Student Government Association of Murray State University supports faculty excusing the absence of students attending the student led “March for Higher Education.”
