

## **PARKING DO'S AND DON'TS**

- **DO** contact the Murray State Parking Services Office with parking questions at (270) 809-4812 or email us at [msu.parkingoffice@murraystate.edu](mailto:msu.parkingoffice@murraystate.edu) . Other sources of information may be unreliable.
- **DO** observe the signs in each lot. The signs will indicate what color zone is allowed to park there. All vehicles parking on campus must have a current valid V-permit (visitors included).
- **DO** update your vehicle information with the Murray State Parking Services Office, when changing vehicles or license plates or when bringing a new/different vehicle to campus.
- **DO** familiarize yourself with all the parking regulations. If you drive on campus, this is your responsibility.
- **DO** park carefully, within a defined parking space and with the flow of traffic, always have rear license plate visible from the main lane of travel at all times, to avoid a citation for improper parking.
- **DO** understand that parking citations are issued 24 hours a day/ 7 days a week.
- **DO** contact Murray State University Parking Services immediately if you have a parking concern or question.
- **DON'T** assume that because others have parked illegally you may do so.
- **DON'T** park on yellow lines, fire lanes, etc. with your hazard lights on, this will not prevent you from receiving a citation.
- **DON'T** park anywhere that is not designated as a parking space. A parking space is defined by two white lines on either side of the vehicle, or hashed parking in front and rear for parallel parking spaces.
- **DON'T** park in a disability space without a current valid Murray State University vehicle registration valid for disability zone parking.
