Student Guide: Tell Us About Yourself

Welcome to Starfish! Murray State cares about you and your success! That's why we're using the Starfish Student Success Network to empower you to be successful.

We want to get to know you better so we can help you achieve your goals. That's why we have created the Tell Us About Yourself survey in Starfish. The survey will take about 15-20 minutes to complete. Be thoughtful in your responses.

To Tell Us About Yourself, follow these steps:

Log into Starfish through myGate Academics tab.

Click on the "hamburger" button to open the menu.

Click on the carrot next to your name.

Click on Tell us about yourself and complete the survey.
