

Additional Requirement for those applying for Master's Degree in Mass Communications

Effective September 2017.

Please add this to the website as an additional requirement for prospective students, thank you!

Submit a letter that provides information on your Academic, Research, and Professional experience and interest. Your letter should address:

1. A brief background of your academic, professional, and research experience.
2. What are your reasons for choosing to pursue a graduate degree in mass Communications?
3. What background qualifies you to pursue this degree?
4. What are your career goals?
5. How do you think the Mass Communications master's program will help you achieve your career/life goals?

If your undergraduate GPA is below 2.7, include the following additional information in your application letter:

6. An explanation for the lower GPA
7. Reasons why you think you will be successful in a graduate level course of study.
